Main Report

Background

1. This report covers the review of the quarter for April to June 2011 of the sixth year of the estate-wide implementation of the Service Level Agreements (SLA) with comments from the House Officers and the residents Working Parties as well as an ongoing action plan for each of the service areas.

Current Position

2. All of the agreed six weekly block inspections have been completed in the quarter April to June.

3. House Officers and the Estate Services Manager attended the recent Service Level Agreement Working Party review meeting in August and any new comments from the residents Working Party, House Officers, surveys, House Group meetings and complaints are incorporated into the April-June comments.
4. Actions identified following each quarterly review have been implemented where appropriate and comments are included in the action plans in Appendices 1, 2, 3, 4 and 5. The action plans monitor and show the progress made from each of the quarterly reviews together with all of the comments and responses/actions from the House Officers and resident working parties. All of the unresolved issues from the previous quarterly reviews from October 2005 to March 2010 have been carried forward to this current quarterly review. This review continues to focus in on exception reporting, issues that are related to the SLA's and non duplication of comments. However it was agreed at the SLA Working Party review meeting that more detail would be given in the SLA action plans and the internal documents are now the basis for these meetings. The House Officers as residents' champions determine whether the issue has been dealt with and completed.
5. All of the resolved issues from 2005 to 2010 have been filed as completed by the House Officers in conjunction with the resident working parties. The SLA action plans run for a calendar year and the quarter April – June is based on any unresolved issues from previous years and new comments for 2011.

Proposals

6. The Barbican Estate Office will continue to action and review the comments from the House Officers and Resident Working Parties related to the Customer Care, Supervision and Management, Estate Management, Property Maintenance, Major Works and Open Spaces Service Level Agreements.
7. The review of the Service Level Agreements for the quarter July to September 2011 will take place in November 2011 and details of this review will be presented at the November/December 2011 committees.

Conclusion

8. The reviews will continue on a quarterly basis with the Resident Service Level Agreement working parties and actions will be identified and implemented where appropriate, to improve services.
