To update the Committee on the Lord Mayor's declaration of gifts and hospitality.

Main Report

Background

1. Following the meeting of Standards Committee on 20th February 2015 it was agreed that as of 1st April that year gifts and hospitality which breached the threshold, as applied to all Members, would be declared unless they fell within the caveat outlined within the previous report of 'special provision' for the Lord Mayor as a ceremonial office holder.
2. The last report on the Lord Mayor's gifts and hospitality was made to the Committee at its meeting in January 2016.

Current Position

3. Since the last report, the Lord Mayor has made declarations at three monthly intervals, declaring gifts and hospitality publicly via the internet page - <http://www.cityoflondon.gov.uk/about-the-city/the-lord-mayor/Pages/default.aspx>
The gifts and hospitality are detailed on separate documents via web links.
4. This page is also linked from the Lord Mayor's personal Aldermanic page – Lord Mountevans -- <http://democracy.cityoflondon.gov.uk/mgUserInfo.aspx?UID=207>
5. The Lord Mayor has no separate declarations to make to the Committee under the special provision. All gifts and hospitality have been declared – see Appendices attached.
