- (A) City Fund - 2014/15 Budget Report and Medium Term Financial Strategy including Non Domestic Rates and Council Taxes for the Year 2014/15

A City Fund – 2014/15 Budget Report and Medium Term Financial Strategy including Non Domestic Rates and Council Taxes for the Year 2014/15

We have considered as to the Non-Domestic Rates and Council Taxes to be levied to meet the City Fund budget requirement during the year ensuing including the proposal to levy:

- an unchanged premium multiplier of 0.004 on the Non-Domestic Rate and Small Business Rate multipliers to enable the City to continue to support the City of London Police, security and contingency planning activity within the Square Mile at an enhanced level; and
- an unchanged Council tax of £857.31 for a Band D property (excluding the GLA precept).

We submit a printed and circulated report thereon: City Fund – 2014/15 Budget Report and Medium Term Financial Strategy.

We **recommend** that the report be agreed to and that the Court do pass a Resolution in the following terms:-

Overall Financial Framework - Revenue

1. Approve the overall financial framework and the revised Medium Term Financial Strategy for the City Fund noting, in particular, that work continues on the Service Based Review to identify savings options to eliminate the deficits forecast from 2016/17 as a result of the significant and continuing Government funding cuts.
2. Approve the City Fund Revenue Budgets.
3. Note the following assumptions:
 - the 2% efficiency savings required over the two year period 2013/14 and 2014/15 have been included alongside procurement savings;
 - an allowance of 2% a year has been included for pay and prices across the forecast period (to 2017/18);
 - a neutral position with regard to the Government's system of Business Rates retention introduced on 1 April 2013 – i.e. no speculation as to growth or reduction;
 - a reduction in the anticipated interest rate on cash balances from 1.5% to the 0.75% currently being achieved; and
 - the revenue position cannot support significant contributions to the funding of the capital programme beyond the limited sums already included in the forecasts.

City Police

4. As part of the strategy to achieve a balanced budget over the medium term, continue the policy of allowing City Police to draw from its reserves on a managed basis, subject to a minimum £4.5m being retained.

Council Tax

5. From April 2013, council tax reduction replaced council tax benefit and in accordance with Section 10 of the Local Government Finance Act 2012 which amended Section 13A of the Local Government Finance Act 1992, local authorities have to make their own local schemes if not applying the Government default scheme. The City adopted the default scheme for 2013-14. There is no intention to amend the scheme for 2014-15 other than to apply the annual uprating of applicable amounts in line with housing benefit applicable amounts to ensure that no claimants in receipt of the council tax reduction are worse off in 2014/15.
6. The Common Council of the City of London hereby agrees, therefore, that the annual uprating of applicable amounts, premiums, disregarded income, or capital in relation to the Local Council Tax Reduction Scheme 2014/2015 as it applies to working age claimants, be in accordance with the uprating to be applied under the Housing Benefit Regulations which take effect from 1 April each year; and the annual uprating of non-dependent income and deductions, and income levels relating to Alternative Council Tax Reduction, or any other uprating as it applies to working age claimants, shall be adjusted in line with inflation levels by reference to relevant annual uprating in the Housing Benefit Scheme, or The Prescribed Council Tax Reduction Scheme for Pensioners.
7. It be noted that the Council Tax Base now has to be reduced to reflect the changes resulting from the new council tax reduction scheme.
8. It be noted that in 2012 the Finance Committee delegated the calculation of the Council Tax Base to the Chamberlain and the Chamberlain has calculated the following amounts for the year 2014/15 in accordance with Section 31B of the Local Government Finance Act 1992:
 - (a) £6187.65 being the amount calculated by the Chamberlain (as delegated by the Finance Committee), in accordance with the Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, as the City's Council Tax base for the year; this amount includes a calculation of the amount of council tax reduction; and
 - (b) Parts of Common Council's Area

Inner Temple	Middle Temple	City excl. Temples (special expense area)
83.02	69.87	6034.76

being the amounts calculated by the Chamberlain, in accordance with the Regulations, as the amounts of the City's Council Tax Base for the year for dwellings in those parts of its area to which the special items relate.

9. For the year 2014/15 the Common Council determines, in accordance with Section 35(2) (d) of the Local Government Finance Act 1992, that any expenses incurred by the Common Council in performing in a part of its area a function performed elsewhere in its area by the Sub-Treasurer of the Inner Temple and the Under Treasurer of the Middle Temple shall not be treated as special expenses, apart from the amount of £13,152,000 being the expenses incurred by the Common Council in performing in the area of the Common Council of the City of London the City open spaces, highways, waste disposal, transportation planning and road safety, street lighting, drains and sewer functions.
10. That the following amounts be now calculated by the Common Council for the year 2014/15 in accordance with Sections 31 to 36 of the Local Government Finance Act 1992:
- | | |
|--------------------|---|
| (a) £326,698,734 | Being the aggregate of the amounts which the Common Council estimates for the items set out in Section 31A(2) (a) to (f) of the Act, including the local precepts issued by the Inner and Middle Temples |

(B) Revenue and Capital Budgets 2013/14 and 2014/15

FINANCE COMMITTEE

(Roger Arthur Holden Chadwick)

18th February 2014

(B) Revenue and Capital Budgets 2013/14 and 2014/15

We submit a printed and circulated report which summarises the revenue and capital budgets for each of the City's three main funds, City Fund, City's Cash and Bridge House Estates together with the budgets for central support services within Guildhall Administration (which initially 'holds' such costs before these are wholly recharged). The report accompanies the Summary Budget Book which includes all the City's budgets at a summary level in a single document. The Summary Budget Book is available in the Members' Reading Room, and on the City Corporation's website. Further copies can be provided on request.

Having considered the circulated report we **recommend** approval of the revenue and capital budgets for City's Cash, Bridge House Estates and Guildhall Administration for the financial year 2014/154 (the budgets for City Fund having already been considered under part A above).

14 POLICY AND RESOURCES COMMITTEE - REPORTS

(Mark John Boleat)**(A) London Councils Grants Scheme 2014/15 - Levy on the London Local Authorities Report of action taken under urgency procedures**

13 February 2014

This report advises Members of two decisions; one taken by the Court as a matter of urgency and the other by the Policy and Resources Committee, pursuant to Standing Order No.19, relating to the London Councils Grants Scheme ("the Scheme"). The Scheme enables the City of London Corporation and the London Boroughs to share the cost of making grants to those voluntary organisations that operate in more than one of the Local Authorities' areas.

The budget for the London Councils Grants Scheme, and the City Corporation's contribution to the Scheme, is considered on an annual basis. Last year, in order to simplify the approvals process, the Court of Common Council delegated the approval of the City Corporation's contribution and its total expenditure for the scheme, to the Policy and Resources Committee. On 23 January 2014, the Policy and Resources Committee approved the total amount of expenditure to be incurred in 2014/15 under the London Council Grant Scheme (£10m) and the City Corporation's subscription for 2014/15 (£8,233).

A further decision was then required, as the Court of Common Council is the designated body responsible for issuing the levies to all the Constituent Local Authorities for their contributions to the Scheme. A decision could not be taken until the total expenditure for the Scheme had been agreed by at least 2/3rds of the Constituent Councils and not before 1 February 2014.

On 27th January 2014, London Councils advised us that the budget had been approved by over two thirds of the Constituent Councils. Following this confirmation, the City Corporation, as levying body, was required to issue the levies before the statutory deadline of 15 February 2014. As the Court of Common Council was not due to meet within this period, a decision was sought under urgency procedures.

We therefore report that on 13 February 2014, approval was given to the issue of levies as set out below:-

(B) London Councils: London Local Government Pension Scheme (LGPS) Collective Investment Vehicle

20 February 2014

Following detailed work which has been undertaken by London Councils on the potential for more collaboration between a number of London boroughs and the City of London Corporation on the management and investment of pension funds, we have considered and agreed a number of recommendations relating to the establishment of a London Local Government Pensions Scheme (LGPS) Collective Investment Vehicle. The recommendations are also supported by your Finance Committee.

London Councils appointed expert legal and financial services advisors to develop a robust business case and a formal proposal. London Councils Leaders' Committee has since considered the outcome of this and agreed to make recommendations to all London boroughs (and the City Corporation) to proceed with establishing an Authorised Contractual Scheme (ACS), and the ACS Operator, which is the company

that would manage it. It should be noted that the proposals outlined are based on voluntary participation, and the decision as to whether to invest in the ACS would be made later in the year. It should be noted that nothing proposed in this matter locks the City Corporation into any level of commitment to invest at this point.

We submit a printed and circulated report thereon **recommending** that the Court supports the next steps in the establishment of a London LGPS Collective Vehicle. All London local authorities are being asked to respond by 14 April 2014 or before the day of the local government elections (22 May 2014).

(B) City of London Festival

12 February 2014

It is proposed that the City hosts a pre-concert reception on the occasion of the performance of a 'Commonwealth Concert' at Guildhall on Monday, 14th July as part of the 2014 City of London Festival.

The City of London Festival was founded in 1962 as an independent trust with the aim of revitalising the cultural life of the City and is supported equally by the business community, the City of London Corporation and the general public. The first Festival programme ran over 8 days with both indoor and outdoor activities. Since then each year the City of London Festival has run an artistic programme incorporating a range of musical and visual arts performances and using the City's unique buildings and outdoor spaces.

The Commonwealth Concert performance is a key strand of this year's Festival's activity and will form part of the contribution to the 2014 Commonwealth Games' cultural programme - a nationwide calendar of cultural events to help "ensure the Games touch every part of the nation, as part of a year-long countdown." Guests at the reception will include City representatives together with Commonwealth political and diplomatic contacts.

We **recommend** that hospitality be granted and that arrangements are made under the auspices of the Culture, Heritage and Libraries Committee; the cost to be met from City's Cash, within the approved cost parameters.

(This will be a Committee event.)

(C) Global Pound Conference

12 February 2014

It is proposed that the City hosts a reception on 29th October 2014 at the conclusion of a one day Introductory Conference which will be the launch for the Global Pound Conference in 2015. This is planned to take place in some 15 cities around the world on the same day in 2015 linked by live webinar. The aim will be to identify and promote changes in methodology in relation to the resolution of cross-border disputes.

The first Pound Conference took place in 1976 named in honour of Professor Roscoe Pound, an American law professor and champion of legal reform. The conference is regarded as providing the impetus for major changes in the American justice system, and in particular the start of modern Alternative Dispute Resolution (ADR). The International Mediation Institute (based in The Hague) and the International Dispute Resolution Group (based in London) are co-hosting a second Pound Conference on ADR in 2015.

The event should provide a high-level networking opportunity for conference delegates and City business representatives specialising in international dispute

resolution, mediation and arbitration. The guest list will also include parliamentarians and Members with relevant business interests.

We **recommend** that hospitality be granted and that arrangements are made under the auspices of the Policy and Resources Committee; the cost to be met from City's Cash, within the approved cost parameters.

(This will be a Committee event.)

(D) Heritage Gallery Opening

12 February 2014

It is proposed that the City hosts an early evening reception to launch the opening of the Guildhall Art Gallery's Heritage Gallery on Thursday, 11th September 2014.

The Gallery will provide a new and fitting space to display some of the most significant and internationally important items from the City's documentary collections. These include the 1215 charter from King John granting the City the right to elect its own Mayor, the City's own copy of Magna Carta dating from 1297 and the 1613 Shakespeare Deed.

As this initiative coincides with the 800th anniversary in 2015 of the sealing of Magna Carta, the guest list will include representatives from the Magna Carta 800th Committee, other London Councils and the arts and cultural sector.

We **recommend** that hospitality be granted and that arrangements are made under the auspices of the Policy and Resources Committee and the Culture, Heritage and Libraries Committee; the cost to be met from City's Cash, within the approved cost parameters.

(This will be a Committee event.)

16 ESTABLISHMENT COMMITTEE - REPORTS

(John Alfred Barker, OBE Deputy)

30 January 2014

Pay Policy Statement 2014/15

The Localism Act 2011 requires the City of London Corporation to prepare and publish a Pay Policy Statement each year setting out its approach to pay for the most senior and junior members of staff. This must be agreed by the full Court of Common Council.

The Court approved the Corporation's first Pay Policy Statement in January 2012 and the current version was approved this time last year. This was published by 31st March 2013. A draft Pay Policy Statement for 2014/15, which has been separately circulated, has been approved by both the Establishment and the Policy and Resources Committees and, with your agreement, will be published by 31st March 2014.

We submit a printed and circulated report thereon **recommending** that the Court agree the separately circulated draft Pay Policy Statement for 2014/15 to ensure that the City Corporation meets its requirements under the Localism Act 2011.

Animal Reception Centre – Heathrow Airport: Annual Review of Charges

It is necessary to submit periodic recommendations to the Court for an increase to be applied to the Schedule of Charges in respect of services provided at the Heathrow Animal Reception Centre (HARC), for the forthcoming financial year 2014/2015.

The Byelaws, incorporating a new schedule of charges for the services provided, can be found in Appendix A to a separately printed and circulated report and we **recommend** approval thereof; the Comptroller and City Solicitor being instructed to seal the Byelaws accordingly.

18 COMMUNITY & CHILDREN'S SERVICES COMMITTEE - REPORTS

(The Reverend Dr Martin Dudley)

14 June 2013

The proposed federation of City of London Academy (Southwark) and Redriff Primary Academy to form a Multi-Academy Trust

It is proposed that the Court approves the formation of a Multi-Academy Trust between the City of London Academy Southwark and Redriff Primary Academy. The schools are close to signing the final agreements and will submit them to the Secretary of State for Education. It requires the approval of the Court of Common Council to enter in to the arrangement and agree to extend the City of London's academy sponsorship to Redriff Primary Academy.

The potential educational benefits identified from such an arrangement include improving transition from primary to secondary education, raising standards in teaching and learning, and providing continuity of provision for vulnerable pupils and their families. The proposal to establish a Multi-Academy Trust is in line with government policy on education which promotes collaboration between schools as a means of securing improvements in educational standards. The proposal supports the City Corporation's corporate objectives of enhancing services and outcomes for children and young people in the City and City fringes.

The Community and Children's Services Committee has been monitoring the progress of discussions between the Academies and the Department for Education. To strengthen the case for federation a business case, risk register and arrangements for governance have been developed. The necessary consultations have taken place, including with the London Borough of Southwark who agree with the proposals. As the Committee responsible for the City Academy schools, the Community and Children's Services Committee agreed to the development of the proposal in June 2013 and, following receipt of further information on the business

case, due diligence checks, the governance arrangements and the financial implications, approved the agreement in principle.

We submit a printed and circulated report thereon **recommending** that the Court agree that the federation of the City of London Academy Southwark Ltd and Redriff Primary Academy is approved and that the City of London extends its academy school sponsorship to Redriff Primary Academy.

19 STANDARDS COMMITTEE - REPORTS

(Charles Edward Lord OBE, JP)

31st January 2014

Composition of the Standards Committee

Your Committee seeks approval to revise the composition of the Standards Committee with a small increase in the number of Common Councilmen appointments. The revised membership would result in an increase from five to seven Common Councilmen appointed to serve on the Committee and would ensure that quorate sub-committees of the Standards Committee, for the purposes of considering complaints and requests for dispensations, could be formed whilst avoiding potential conflicts of interest amongst Members.

The current composition of the Committee, which includes 5 Common Councilmen, 1 Alderman, 4 Co-opted Members [and 3 Independent Persons]) has led to some difficulties in recent months in respect of convening sub-committees where Members' conflicts of interest and date availability have inhibited the timely convening of quorate meetings.

We therefore **recommend** that the Standards Committee's composition be revised to include 7 Common Councilmen, 1 Alderman, 4 Co-opted Members [and 3 Independent Persons].
