Open Spaces Awards

Report of the Chairman of the Open Spaces & City Gardens Committee, and West Ham Park Committee.

"I am delighted to announce that the City Corporation's Open Spaces have again received several prestigious Green Flag and London in Bloom Awards.

The Green Flag Award is the national standard for parks and green spaces and aims to recognise and reward the best green spaces in the country. All sites must be freely accessible to the public and perform well against eight criteria, including safety and security, cleanliness, management and sustainability. This year the following Open Spaces retained the Award: Ashtead Common, Bunhill Fields, Burnham Beeches, Coulsdon Common, Epping Forest, Farthing Downs and New Hill, Hampstead Heath, Highgate Wood, Kenley Common, Queen's Park, Riddlesdown, Spring Park, West Ham Park, West Wickham Common and the City of London Cemetery and Crematorium.

Green Heritage Site accreditation, which is sponsored by English Heritage, is awarded in recognition of achieving the required standard in the management and interpretation of a site with local or national historic importance. The following Open Spaces retained their Green Heritage Site accreditation this year to acknowledge the heritage value of the sites: Ashtead Common, Bunhill Fields, Burnham Beeches, Epping Forest, Farthing Downs and New Hill, Hampstead Heath, Highgate Wood, Kenley Common, Queen's Park, West Ham Park and the City of London Cemetery and Crematorium. 19. **THE CITY BRIDGE TRUST COMMITTEE**
(Jeremy Paul Mayhew)

25 September 2014

(A) **Review of City Bridge Trust's Priorities and Policies**

Following the launch of the *Investing in Londoners* programmes in September 2013, this paper sets out proposals to make some minor amendments to the policy which guides the application of Bridge House Estates surplus income in order to strengthen and improve the work of the City Bridge Trust (under which the *Investing in Londoners* programmes are delivered). It is also recommended that changes be made to the procedures which support the delivery of the funding priorities set out in that policy to enable more efficient administration and a more effective application of the charity's resources.

A printed and circulated report is now submitted for your consideration and we commend its **recommendations** to you.

(B) **Prince's Trust Strategic Grant**

This paper proposes releasing an additional £1.05m per year from the Bridge House Estates surplus income for a period of 10 years (over and above the Investing in Londoners grants programmes budget, or their successor) to provide a long-term strategic grant to the Prince's Trust Charity (£1m per year) with associated grant management costs to the City Bridge Trust (£50,000 per year). The purpose of the proposed strategic grant is to build upon the Prince's Trust's excellent work with some of London's hardest to reach young people: it will provide the Prince's Trust with a financial commitment that will allow it to increase its programmes targeted at Londoners, and part-finance one of its centres in Tower Hamlets.

A printed and circulated report is now submitted for your consideration and we commend its **recommendations** to you.

Following an introduction by the Chairman, he responded to a question from The Reverend William Campbell Taylor clarifying the scope of the grant and confirming it would cover activities across multiple London Boroughs. The Chairman of the Policy and Resources Committee also spoke in support of the proposals.

STANDARDS COMMITTEE
(Charles Edward Lord, O.B.E., J.P.)

6 October 2014

Amendments to the Members' Code of Conduct – Disclosable Interests and the Mandatory Registration of Gifts and Hospitality

In accordance with our terms of reference, the Standards Committee is required to prepare, keep under review and monitor the City of London Corporation's Members' Code of Conduct and make recommendations to the Court of Common Council in respect of the adoption or revision, as appropriate, of such Code of Conduct.

This was considered initially by the Court on 24th July 2014 and Members felt that some further work should be undertaken and the matter brought back to the Court for consideration. In reaching its decision about a revised Members' Code of Conduct, this Committee has consulted widely with all Members of the Court of Common Council; taken into account the previous Standards regime, whereby Members were expected to register a more substantial list of membership bodies; and reflected on practice across local authorities.

A printed and circulated report has therefore been submitted for your consideration and we commend its **recommendations** to revise the Members' Code of Conduct and to introduce a mandatory registration regime for gifts and hospitality, as of 1st January 2015.

Motion – To delete paragraph 7(e) of the report, thereby changing paragraph 7(f) to 7(e), and inserting the words “except political parties” in parentheses at the end of this new paragraph 7(e), so that revised paragraph 7 read:

- (a) Management board or similar organ of any charity or body directed to a charitable purpose (e.g. a trustee or director) but excluding any charity or other such body administered by the Corporation*
- (b) Club or Society active in the City of London or which relates to any functions of the Corporation*
- (c) Fraternal or Sororal Societies*
- (d) Livery Company, City Company without Livery, Guild or Company seeking Livery*
- (e) Organisation, one of whose principal purposes includes the influence of public opinion or policy, and which is likely to seek to affect the policy of the Corporation or which may have an impact on its services or stakeholders (except political parties).*

Upon the question being put, the Lord Mayor declared the amendment not to be carried.

Motion – The deletion of the word “might” from paragraph 1(b) of the report, so that the clause read:

James
Tumbridge;
David
Bradshaw

1.b) INTEGRITY: Holders of public office should not place themselves under a financial or other obligation to outside individuals or organisations that seek to influence them in the performance of their official duties. NB - This Principle applies only to conduct by a Member in their capacity as a Member which may foreseeably lead to the Member being subjected to inappropriate influence in the performance of their duties. It does not apply to contracts of employment, service or other formal and informal business relationships entered into by Members in their private capacities and which are dealt with by the rules on disclosable pecuniary and non-pecuniary interests.
