4. **DRAFT MINUTES OF KEATS HOUSE CONSULTATIVE COMMITTEE (REGISTERED CHARITY NUMBER 1053381)***

RESOLVED, that – the draft minutes of the meeting held on 3rd October 2018 be noted.

Matters arising

Members noted that there had been some delay in respect of the Licensing Application, which was explained in the minutes and the Chairman advised that Members of the Consultative Committee had asked for this to be progressed as soon as possible. The Principal Curator confirmed that it would be within this Financial Year. Members were also pleased to note that the defibrillator had been installed at the House.

5. **STATUE RECOGNISING THE ROLE OF WOMEN IN THE CITY**

Members considered a report of the Town Clerk, further to the Motion passed at the Court of Common Council on 21 June, which sought to recognise the centenary of women's suffrage, and the various contributions made by London's women, by commissioning a statue (or other suitable depiction) celebrating the role of pioneering women in London's history. Ahead of the meeting, Members had received a letter from a Member and former Lord Mayor supporting a statue of Mary Wollstonecraft.

Members noted the current Guildhall Library exhibition depicting women who had been active in livery companies and there was a suggestion to erect plaques outside businesses which had been successfully run by women. However, there was strong support for the statue and it was suggested that, after the CAI had completed its work, that the Policy and Resources Committee be asked to match the funding offered to the Sylvia Pankhurst statue, to be located at Newington Green.

RESOLVED, that – the City Arts Initiative commission and develop proposals for a statue or suitable depiction within the City boundaries, to be created pursuant to the terms of the Motion passed by the Court of Common Council on 21 June 2018:

"That this Honourable Court, in recognition of the centenary of women's suffrage and in committing itself to make further strides forward in making the City of London an open, tolerant and inclusive place to live, work, and visit, resolves to recognise the contribution made by London's

women, by commissioning a statue or statues or other depictions to be placed in prominent public positions, perhaps of some of the pioneering women who first held high office in the City, such as Dame Mary Donaldson GBE JP (Lord Mayor 1983), Edwina Coven CBE JP DL (Chief Commoner 1987), or Dame Judith Mayhew-Jonas DBE (Policy Chairman 1997-2003), or other women who have added value to the life of London over the centuries; and to refer this matter to relevant committees (advised by an independent expert group) to determine the subjects, budgets, design, location, and other practical concerns.”

6. KEATS HOUSE RISK MANAGEMENT (REGISTERED CHARITY NUMBER 1053381)

2. The Keats House Risk Register included in Appendix 2 to the report be approved.

RESOLVED, that – the report be noted.

8. TOWER BRIDGE (REGISTERED CHARITY NUMBER 1035628) AND MONUMENT RISK MANAGEMENT

Members considered a report of the Director of Open Spaces which provided the Committee with an update on the management of risks faced by the Open Spaces Department and Tower Bridge and the Monument, in particular.

RESOLVED, that –

1. The Corporate risk scoring grid at Appendix 1 to the report be noted.
2. The Tower Bridge and Monument Risk Register included in Appendix 2 to the report be approved.
3. The Tower Bridge and Monument current and target risk grid at Appendix 3 to the report be noted.
4. The Green Risks be removed from future reports to the Committee, as proposed in paragraphs 7 and 8 of the report.

9. CITY OF LONDON POLICE MUSEUM: CLARIFICATION OF GOVERNANCE ARRANGEMENTS

Members considered a joint report of the Town Clerk and City of London Police, which sought to clarify governance arrangements for the City of London Police Museum. In response to questions, Members noted that the visitor figures for the Museum had exceeded the Heritage Lottery Fund target. The Head of Cultural and Visitor Development advised that the volunteers were former police officers, with a great wealth of experience which brought the exhibition to life. Members asked if their livery companies could assist with promoting the gallery and museum, and whether officers could provide anything, and suggested that front of house staff at both the CoLP Museum and GAG be briefed to proactively refer visitors between these assets.

RESOLVED, that –

1. The governance structure outlined in this report, namely that the business strategy for the City of London Police Museum and the cost of the staffing, accommodation and business operations sit under the governance of the Culture, Heritage and Libraries Committee for a period of three years (until 14 November 2021); and that ownership of the Museum collection, and costs pertaining to its rotation within the Museum and its conservation, as well as the recruitment of volunteers for Museum business, fall under the governance of the Police Committee.
2. Subject to approval of the above, authority be delegated to the Assistant Town Clerk and Culture Mile Director for the management and staffing of the Museum, and to the Commissioner, City of London Police, for the management of the Museum collection.
3. Subject to the approval of both recommendations above, the re-establishment of the officer-led Museum Board be approved (with representation from both departments) to manage the day-to-day running of the Museum, under the delegated authority proposed, noting major projects, expenditure, or changes to the running of the Museum business will be referred to the relevant Committee(s) through the delegated Chief Officers, as appropriate.
4. Commercial hire fees be waived for the City Police, should they wish to use the Museum space for a private reception or tour, noting that for out-of-hours use, any costs incurred will need to be recovered from the City Police.

10. CULTURAL SERVICES IN TOWN CLERK'S - CELEBRATING DIVERSITY IN OUR CULTURAL PROGRAMMING

Members received a report of the Assistant Town Clerk and Culture Mile Director, which summarised the work undertaken in recent years by the Cultural Services Teams, in the Town Clerk's Department, to develop more inclusive and diverse programmes.

RESOLVED, that – the report be noted.

11. **CITY INFORMATION CENTRE: ANNUAL PERFORMANCE REPORT AND SURVEY FINDINGS 2017/18**

Members received a report of the Assistant Town Clerk and Culture Mile Director, which provided a review of the City Information Centre (CIC's) performance for the last financial year (2017/18). The Chairman asked that the Committee's gratitude be conveyed to staff at the CIC for the team's excellent work in implementing a significant number of successful income generation schemes, which have kept the CIC running following the SBR savings taken two years ago.

RESOLVED, that – the report and survey findings be noted.

12. **CITY ARTS INITIATIVE: RECOMMENDATIONS TO THE CULTURE, HERITAGE AND LIBRARIES COMMITTEE**

Members considered a report of the Assistant Town Clerk and Culture Mile Director, which presented the recommendations of the City Arts Initiative for ratification. In response to questions, Members noted that 'Ice Watch' would not carry any narrative but officers accepted that its environmental message would be open to speculation. There was also a query in respect of the weight of the ice blocks and the crane used to position them but this was under consideration by the Highways and City Surveyors' teams.

Members also noted that consultation was ongoing in respect of the siting of 'Fearless Girl' and there had been some objections to it being outside the Stock Exchange. Members were keen for this sculpture to be in the City and noted that Paternoster Square was large enough to be flexible on its' position.

RESOLVED, that – Members ratify the City Arts Initiative's recommendations in relation to the above proposals as follows:

1. **Ice Watch London:** approve the proposed installation, noting that the number and location of the ice blocks must be agreed with your Highways Team; risk assessments and method statements must be provided to advise how meltwater will be dealt with in the event of run-off and of freeze/thaw; a procedure must be in place for the removal of the ice blocks if they have not melted by 21 December 2018; and there must be clearance of at least 2m around each block.
2. **The Fearless Girl:** approve noting the need to ensure 2m clearance around sculpture
3. **Domestic David:** decline as the proposal constitutes advertising, even with the logos and manufacturer's name removed.

13. **CENTRAL GRANTS PROGRAMME - INSPIRING LONDON THROUGH CULTURE, RECOMMENDATIONS TO THE CULTURE, HERITAGE AND LIBRARIES COMMITTEE**

Members received a report of the Assistant Town Clerk and Culture Mile Director in respect of the most recent round of applications to the Central Grants Programme: Inspiring London through Culture theme.

In respect of the Ring Consortium Grant, a Member who was in attendance at the CGP meeting suggested that the summary should reflect that the organisation was looking positively at other partners to fund the residual balance. Members also commended Spitalfields for showing a significant return on previous City Corporation investment and their excellent events which assist children from low income families.

RESOLVED, that – the grant decisions made by the panel under the Inspiring London through Culture funding stream, as part of the City Corporation's Central Grants Programme and set out in the report, be noted.

14. ARTIZAN STREET LIBRARY OPENING HOURS

Members received a report of the Director of Community and Children's Services, following feedback from the last Barbican and Community Libraries Survey, in respect Artizan Street Library's opening hours. Members noted that the local ward Members were supportive of the revised opening hours. Officers advised that the Barbican Library is open until 7.30pm and customers can return their books to any City Library. In respect of Saturday opening, Members noted that this had not been successful due to the high number of other events in the City at weekends, which the Libraries advertise.

RESOLVED, that – the report be noted.

15. DRAGON CAFE IN THE CITY

Members received a report of the Director of Community and Children's Services in respect of the Dragon Café, which launched in February this year and has been very successful. Members were very pleased to note that the staff at the Café had won the Town Clerk's award for Customer excellence and asked for their thanks and Congratulations to be passed on to the team. Officers advised that the sessions ran in parallel with the infants reading corner which encouraged parents to read with their children. Members noted that recent research into such initiatives considerably improved mothers' mental health and provided an opportunity for isolated parents to come together.

Members were very supportive of the initiative generally and would support a recommendation to Policy and Resources Committee for the funding to be made permanent.

RESOLVED, that – the report be noted.

16. REPORT OF ACTION TAKEN SINCE THE LAST MEETING OF THE COMMITTEE *

Members received a report of the Town Clerk, which advised Members of action taken, under delegated authority, since the last meeting in July 2018. Members noted that, in this instant a past Chairman and the most Senior Member were consulted, as the Chairman and Deputy Chairman of the Culture, Heritage and Libraries Committee serve on the City Arts Initiative.

ACTION TAKEN, - following satisfactory responses to Members' queries, approval be given to the installation of the 'Hidden in Plain Sight' art project.

17. QUESTIONS ON MATTERS RELATING TO THE WORK OF THE COMMITTEE

In response to a question about the new pocket book, the Town Clerk reminded Members that a number of them had opted for having just their corporation emails and/or mobile phones visible on the intranet and/or in the pocket book, with their addresses shown c/o Guildhall. Members were reminded of the audit conducted earlier in the year, as part of our GDPR preparations, which included Members' preferences in respect of their visible personal details on the web page (internet, not intranet) and the pocket book. However, some Members are willing to share more personal and/or work contact details and, also as part of GDPR, all members have a standard city corporation email address.
