5.	<p>12-07-18 <i>Item 13a - Special interest Area Updates - Safeguarding and Public Protection, ICV Scheme</i></p> <p>Domestic Abuse Employers' Initiative</p>	<p>The SIA Lead explained that an Employers' Initiative on Domestic Abuse had already attracted more than 170 members, and enabled employers to exchange information on best practice. The Chairman asked if there were figures that could demonstrate its effects on Domestic Abuse (5).</p> <p>Update 06-09-18: DI Public Protection Unit (PPU) has reported that The Employers Initiative on Domestic Abuse (www.eida.org.uk) is a nationwide initiative which companies can join to demonstrate their commitment to tackling domestic abuse and supporting their employees. It is a network of businesses/corporations attending conferences etc and provides resources for employers. This does not require us to do any 'work' as such around the issue but demonstrates our commitment to tackling it.</p> <p>As such, there will be no figures either nationally or locally to demonstrate the effect of the Employers Initiative on DA. (CoLP has only just signed up in any case).</p> <p>The DI PPU has updated that CoLP has however introduced a new Domestic Abuse toolkit in mid-August, so when the next SIA Vulnerability update is due to Committee, has offered to include some information in the briefing for the Lead Member on that instead.</p>	CoLP	OUTSTANDING

The Custody facility at Snow Hill Police Station will be opened as per Business Continuity Plan. BTP Custody at Brewery Street can also be used by CoLP as a further contingency.</p> <p data-bbox="707 663 1592 1214">Update 06-09-18: The Custody Suite at Bishopsgate has now reopened after refurbishment. The temporary move to Snow Hill did not occur owing to unforeseen problems with the water supply which have since been rectified. During this period, CoLP prisoners were instead taken to Brewery Road, a British Transport Police custody suite which can be used by CoLP under a memorandum of understanding. This MOU is in the process of being formalised by use of a S22A collaboration agreement between the CoLP and BTP, which has already been before the Committee in July and there is an update to that report on the agenda today. This formalisation is important given the planned closure of Snow Hill as part of the accommodation move ahead of the new Police Station build. At the point Snow Hill is closed, Brewery Road will become the business continuity option for CoLP custody</p>	CoLP	COMPLETE
