Dear City

I object to the late provision of alcohol and light refreshment by Stem and Glory in a residential area as outlined below on the grounds of public nuisance to local residents. Please limit the licensing hours to 11pm latest, including at the weekend.

"1) To permit the sale of alcohol on and off the premises 11.30am – 11pm Monday to Wednesday 11am- 11.30pm Thursday, Friday and Saturday. 11am – 10.30pm Sunday.

2) To provide late night refreshment 11pm – 11.30pm Thursday, Friday and Saturday."

Kind regards,

Natasha Curran

Dear Natasha,

I can't accept this as a valid representation. You must be specific about why you feel the grant of the Stem and Glory premises licence (60 Bartholomew Close) will adversely impact one or more of the four licensing objectives - namely public nuisance, crime and disorder, public safety, prevention of children from harm. If you still wish to make a representation please do so in that format and email to [REDACTED]

Kind regards

Robert

Dear City of London

I am emailing to register my objections to licensing of bars and/or a restaurant at 60 Bartholomew Close . When Helical Bar explained the use of this areas to existing residents at their planning application, they said it would persevere the "tranquil residential area". Little Britain is a conservation area. Please conserve it by not granting restaurant and bar licences, and particularly anything after 10pm . Does the City and London really need any more restaurants and bars? No, it needs to persevere areas which are unique and which thus are deemed conservation areas. I feel Helical Bar has acted disingenuously towards residents and the City.

City residents are few and it feels as though the City cares less about us than its businesses. Please consider your residents on this one.

Kind regards,  
Natasha Curran
