

PLANNING AND TRANSPORTATION COMMITTEE – OUTSTANDING ACTIONS

Item	Date	Action	Officer responsible	To be completed/ progressed to next stage	Progress Update
1.	9 January 2018 23 January 2018 26 March 2018 8 May 2018 29 May 2018 10 July 2018 26 July 2018	Ludgate Circus The Director of the Built Environment advised that an additional letter would be prepared as a matter of urgency, and gave her assurance that the issue would be treated as a priority.	Steve Presland	SP arranging meeting between senior TfL reps and Chairman and Deputy of P&T	<p>Completed – Letter sent on 9 January and circulated to Members on 10 January.</p> <p>Meeting between Chairman, Deputy Chairman and TfL representatives took place on Tuesday 23rd January to discuss this issue.</p> <p>The meeting between TfL and CoL safety officers to conduct H7S audit (informal) needs to take place prior to committee and the data exchange be completed.</p> <p>Data was exchanged, and CoL have provided written comments back to TfL on their data just before the Easter break. We would expect TfL to respond within the next two weeks.</p> <p>UPDATE: Following a further meeting with TfL in the</p>

					<p>following actions were agreed:</p> <ul style="list-style-type: none"> • TfL Road Safety Auditor to produce collision 'stick diagrams' for the Ludgate Circus junction to identify any prominent accident types. This will only include the validated data (12 months at time of writing report, though an additional 2 months may now be available on ACCSTATS). The 'stick diagram' drawing will not include the additional 8 months of CoL data as there is not enough information included in the dataset to facilitate this being done. • CoL requested official TfL presence from Enforcement Team to assist in undertaking cycle behaviour training at the junction. • CoL highlighted that it would be beneficial to understand the number
--	--	--	--	--	---

					<p>of informal / formal movements being undertaken at the junction and by what mode e.g. pedestrian, cycle, car. This will require surveys being conducted on the Ludgate Circus junction. Furthermore, as there is no data prior to the construction of this junction a secondary junction of similar nature will be required to be surveyed to provide a comparison. TfL to investigate practicality and cost of surveys and report back.</p> <ul style="list-style-type: none"> • Further meeting to be scheduled in December following installation of cycle SCOOT, review of junction timings and completion of 'stick diagrams'. <p>Officers have not been able to confirm progress with TfL on their actions to date. Further meeting scheduled for December 2018.</p>

2.	9 January 2018 23 January 2018 20 February 2018 26 March 2018 8 May 2019 29 May 2018 10 July 2018 26 July 2018	Lane Rental In response to a question concerning 'lane rental', officers advised that the Government was currently consulting on this initiative and undertook to report back to the Committee following the outcome of this.	Ian Hughes	DECEMBER COMMITTEE	The consultation has now closed and DfT are analysing the feedback. As a minimum, they will need to publicise a decision before the current Lane Rental trials with TfL and Kent County Council expire in March 2019. UPDATE: DfT have now published their guidance on such schemes – Officers to report in Dec on the implications.
3.	9 January 2018 20 February 2018 26 March 2018 8 May 2019 29 May 2018 10 July 2018 26 July 2018	'Green' Initiative A Member for Dowgate Ward reported that 'green' initiatives were a priority for his ward and asked if a report detailing these could be brought to a future meeting. The Director of the Built Environment suggested that this could be done by way of an annual report as many of the initiatives came under the remit of other Committees.	Paul Beckett	ONGOING	Initial response email sent 25/01/2018. Existing 'green' monitoring reports are being reviewed for Dowgate-specific material. Investigating the scope for an annual 'green' report contributed to by several departments. Review of 2017/18 could be prepared in mid-2018 Consultant preparing a report on potential green initiatives which will be reported 11 Sept committee.
4.	9 January 2018 20 February 2018 26 March 2018	Blackfriars Bridge Underpass	Steve Presland		A detailed response was sent to the Member on 09/01/2018.

	<p>29 May 2018 10 July 2018 26 July 2018</p>	<p>A Member expressed concern regarding the poor state of the underpass at Blackfriars Bridge and asked who was responsible for the cleaning and maintenance of it.</p> <p>Officers advised that there were overlapping responsibilities between the CoL and TfL and discussions were taking place with TfL to address the problem.</p> <p>A Member questioned why Transport for London were reluctant to allow the CoL Corporation to take over responsibility for the underpass and asked if officers had engaged at a senior level.</p> <p>Members expressed concern at the state of the underpass and the fact that people were likely to try and cross the road as an alternative to using it which was extremely dangerous.</p>			<p>The City are Monitoring it, increasing inspections, scheduled and adhoc cleaning as required is now in place.</p> <p>Put a request in with TfL with a view to arranging a site meeting to agree an allocate clear responsibilities and explore CoL taking over TfL responsibilities.</p> <p>Officers undertook to report back on the options available.</p> <p>Members noted Officers had reached an agreement with TfL who had agreed to replace the tiles in the Blackfriars Bridge underpass and review the lighting there. Officers would undertake a deep cleanse of the underpass and invite local ward Members and the Chairman and Deputy Chairman of the Port Health and Environmental Services Committee to visit. Members could then consider whether a programme for routine deep cleansing of the underpass would be feasible going forward.</p>
