Policy Statement

This local policy should be read with Part One of the City of London Open Spaces Events Policy which applies to all the City's Open Spaces located outside the City of London.

This is the local policy and application form for requests to hold events in Epping Forest only.

Applications for filming, photography, regular activities and land hire for storage, skips etc. should be completed on the standard licence application form and sports activities on the sports licence application form. Please note that large sports events with more than 500 people or with a number of infrastructure items may be considered under the events licence.

Introduction

Epping Forest is London's largest open space and provides 6000 acres of ancient woodland and mixed habitats and is a vital green lung to the city. The Forest was protected for 'the recreation and enjoyment of the public' and there are a huge range of opportunities for recreation on offer including a number of unique locations for events. With around 4.5 million annual visits however, the Conservators have a crucial role in ensuring that visitors are safe, that conflict amongst users is minimised and that use of the Forest is sustainable to safeguard the future of the Forest for everyone.

Legislative background

Epping Forest was protected under the Epping Forest Act 1878 which appointed the City of London as Conservators of the Forest '..to preserve the Forest as an open space for the recreation and enjoyment of the public..'

The Act ensures that the Conservators '*.. shall at all times keep Epping Forest unenclosed and unbuilt on, ...*' and under Section 7(3): '*The Conservators shall at all times as far as possible preserve the natural aspect of the Forest,*'

Epping Forest is also protected under subsequent legislation over and above the protection provided by the 1878 Act. Under The Conservation of Habitats and Species Regulations 2017, 1605 hectares are protected within a Special Area of Conservation ((SAC) - EU Habitats Directive (92/43/EEC) and 1728 hectares are notified as a Site of Special Scientific Interest (SSSI) under the

Wildlife and Countryside Act 1981 (as amended). Wanstead Park and Copped Hall are both Grade II* Registered Parks & Gardens under the National Heritage Act 1983. In addition, Ambresbury Banks, Loughton Camp and The Temple at Warlies Park are Scheduled Monuments protected under the Ancient Monuments and Archaeological Areas Act 1979.

Event Locations

Throughout the Forest events will be judged on their potential impact on the sensitive nature of the landscape but also the intensity of regular use of the area and proximity of housing. A number of areas are restricted completely due to their sensitive nature and others may be restricted seasonally.

A number of suggested event locations is provided on the attached Events Location Schedule. These are spaces we have determined have some capacity to hold events; however, they will each be subject to some restriction due to access issues, seasonal concerns, proximity of neighbours and overall impact on conservation.

These suggested locations have been categorised in three broad zones but the individual characteristics of each event will be taken in to account.

If a location you wish to use is not listed we may still be able to consider it, provided your application is submitted with sufficient lead in time.

Zone A. Larger open areas with greater capacity for larger events. Type of event and access issues will need to be considered and there may be seasonal restrictions

Zone B Established Activity Areas including fairgrounds sites and village green/ town greens that can accommodate medium size events

Zone C Potential event areas for smaller events. These may not have been used in the past for events but are considered to have some potential for small public or private events.

Timing and Frequency

The following principles will be applied to the timing and frequency of events;

- No more than one large event will normally be approved to take place on the same day.
- Events will not normally be approved on consecutive weekends over the period from May to September in each locality

- The overall number of events approved will be restricted to maintain the balance of public enjoyment and unfettered access of the normal character and environment of the Forest.
- Large events will be limited to three per year throughout the Forest and will have restrictions on noise, scale and impact.

Local Authority Approvals

- A temporary event notice and other licences or consents may be required. Applicants should make their own enquiries to the following authorities as applicable:
 - London Borough of Waltham Forest
 - London Borough of Redbridge
 - London Borough of Newham
 - Epping Forest District Council

Local Officer Event Group

- The Head of Visitor Services, Head Keeper and other Epping Forest officers according to expertise needed per application, are represented on the Local Officer Event Group. This meets fortnightly to consider event applications and make recommendations to the Superintendent who holds delegated powers to approve events or to the Epping Forest and Commons Committee in appropriate circumstances.

How we make decisions

All applications will be reviewed on a two-weekly basis by the Local Officer Event Group in Epping Forest. Applications may be:

- recommended immediately for the approval of the Superintendent.
- recommended for rejection on the basis that it does not meet the requirements of the Open Spaces Event Policy
- deferred subject to receipt of further information
- referred to a wider meeting of officers for review, particularly in the case of large events. In some cases, such as when events are very large the application will be referred to the Epping Forest and Commons Committee, which will add 2-4 months before a decision is agreed

Applications timescale

Event applications must be received within the lead in time stipulated below. Should applications not be received within these lead in times event requests may be declined
