

**The PP2P journey map**

The PP2P Project will deliver a world class procurement service with the ability and capacity to proactively drive on-going and sustainable savings.

**Key Challenges**

**Year 1**

- Achieving 'quick wins' savings targets

**Year 2**

- Filling all CLPS roles in an appropriate and timely manner
- Agreeing service levels and processes and exceptions with departments
- Maintaining Sourcing momentum
- Preparation for Year 3 initiatives

**Year 3**

- Developing the CLPS to be optimally functional (i.e. best it can be)

**Years 4-5**

- Ensuring CLPS knowledge transfer is of sufficient depth
