The pollution team at Environmental Health, Markets and Consumer Protection are making a representation as a responsible authority.

The representation is made for the licensing objection of the prevention of Public Nuisance.

There are a number of residential premises in close proximity to the Pelt Trader in Dowgate Hill:

4 Dowgate Hill – 3 Flats

8 Dowgate Hill – 3 Flats

11-13 Dowgate Hill – 3 Flats

The team is aware that residents are affected by the noise by patrons drinking outside the Pelt Trader until 9.00 pm and also by patrons who go outside to smoke after 9.00 pm.

It is considered that any extension in the hours that drinks are permitted to be consumed outside the premises will increase any nuisance to the nearby residents. A restriction to 9.00 pm would be in accordance with similar agreements in the City when there are nearby residents.

Regards

Garry
