CR16j	Now in continuous improvement with monitoring and review at the DSSC	New action			Gary Brailsford-Hart	29-Apr-2019	30-Jun-2019

CR16k	Final stages of completing information security projects which will mean that we can assure Members that the City of London Corporation has implemented all the national government recommended security practices and technology achieving a maturity level of 4.	Information Security projects are being delivered as planned. The Information Security team recommended to the Audit and Risk Committee that this risk is reduced to Amber.  Move towards a continuous improvement model is being adopted to ensure the controls in place are embedded, mature and reflective of emergent threats and risks.
