VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

To incorporate the former Ladbrokes Betting shop to the trading space for Gremio de Fenchurch Street, allowing an entrance under the railway arch on Crutched Friars and to provide a small cafe bar and disable toilet at street level. By positioning the main entrance and exit on Crotched Friars rather than Savage Gardens this should alleviate some of the concerns of the local residents raised following the original application. Closing hours of the premises will be half an hour after the end of licensable activities and the facility for off sales has been added.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

I have taken account of your licensing policy and believe that the operating schedule as submitted previously along with the additional measures set out below around prevention of public nuisance will uphold the four licensing objectives.

b) The prevention of crime and disorder

No new measures required.

c) Public safety

No new measures required.

d) The prevention of public nuisance

By moving the main entrance from Savage Gardens to Crutched Friars this will help to reduce the potential noise nuisance from patrons arriving or leaving.

A small area to front of the new entrance will be set aside for consumption of alcohol off the premises, this area will be monitored at all times and will be closed to patrons for the consumption of alcohol at 22:00.

The opening hours of the premises have been amended to end half an hour after the terminal hour for licensable activities each day of the week.

e) The protection of children from harm

No new measures required.
