**Subject:** Gremio de Fenchurch - Major Variation Representation

Good Afternoon,

This department wishes to make a representation to object to the major variation to the above premises licence. The red line on the premises plan does not make clear to what extent outside drinking would be permitted in this area and how it would be controlled by the venue. This department does not feel that outside drinking would be appropriate on Savage Gardens, it is very likely that patrons drinking in this area would give rise to a public nuisance.

Kind Regards  
Siobhan
