Dear Sirs

Application for variation of Licence Gremio de London Limited
Gremio De Fenchurch - 26A Savage Gardens/ 9A&B Crutched Friars EC3N 2AR

First of all let me explain my interest in the above, in that I own an apartment at No 1 Pepys Street, which I currently am letting out.

I understand the date for representation has been amended due to the applicant not following the correct procedure, so I am writing regarding the above variation of licence which now includes 9 A and B Crutched Friars, which will significantly increase the number of customers within these premises, and which includes Off-Sales of alcohol.

I am requesting that there should be absolutely no use of the Savage Gardens entrance whilst the premises are open to the public, except in the event of an emergency, and I see that the Applicant is planning to offer 'Off-Sales' which is likely to further encourage drinking and noise disturbance on the street, under the echoing railway arch. Although at the front of the premises in Crutched Friars, noise travels late at night and drinkers/smokers may also be tempted to wander around the corner into Savage Gardens, which would cause even more noise for the residents in 1 Pepys Street. This surely cannot be allowed? Also, I would request that all windows and doors should be kept firmly shut in the above premises in the interest of the residents who are in such close proximity.

Yours faithfully

Linda Mahalski
