Subject: OBJECTION TO UNIT 7, BARTS SQ. DEVELOPMENT

I am writing to object to the opening hours applied for with respect to the above unit.

Unit 7 sits in a quiet residential area. The right of the large number residents to be able to enjoy the quiet of their homes in the evening and also not to have their sleep disturbed should therefore take priority. It is inevitable that a closing time of 11.30pm Mon - Sat and 10.30pm on Sundays will lead to the quiet of the locality regularly being disturbed. Middlesex Passage will become a much used short cut, with the sound reverberating off the walls into the bedrooms that abut the passageway.

In view of the way sound reverberates in high density locations, I would be grateful if you would ensure that the conditions attached to the licence stipulate that all doors and windows are to be kept closed at all times and that silent air conditioning is in place.

I should be grateful if you would acknowledge receipt of this objection.

Many thanks
Catherine Cox
