OBJECTION TO UNIT 7, BARTS SQUARE DEVELOPMENT

Dear City

I am writing to object to the opening hours applied for this unit.

This property has residential units all around it and a closing time of [23.30 Monday- Saturday \(22.30 Sunday\)](#) is far too late. In practice, customers may well be exiting the premises after midnight.

The proximity of the property to Middlesex Passage means people would be using this narrow passageway long after the vast majority of my neighbours I have gone to bed.

It is vitally important that a condition that all doors and windows are kept closed at all times and that silent air conditioning is put in place.

Thank you for acknowledging receipt of this objection.

Kind regards,
Natasha Curran

Flat 15, [43 Bartholomew Close, EC1A 7HN](#).
