

**“You Said; We Did” - Action List – May /June 2019**  
**Actions from March 2019 Barbican Residential Committee (BRC) & other  
outstanding issues (*updates appear in italics*)**

Issue	Source	Officer
<b>Garden Waste</b>		
<i>Review with Open Spaces Department the inadequate size of the garden waste bags.</i>	BRC March 19	Helen Davinson
<b>Wildlife Gardens</b>		
<i>Funds have been sourced to enable contractors to renovate the steps to the south-west corner of the Wildlife Garden.</i>	BRC March 19	Helen Davinson
<b>Resident Parcel Delivery service (Pink card service)</b>		
<i>An Officer/Residents Working Party was set up to review the residents’ parcel delivery system. In 2016 it concluded that the current “holding” system worked well and that it be reviewed in five years’ time.</i>	BRC March 19	Barry Ashton
<i>In the meantime, the BEO will include a question on the service in their annual resident’s survey in June.</i>		
<b>Electric Vehicle Charging</b>		
The BRC approved the following at its meeting in March (with updates in italics as of 17 May):	BRC March 19	Barry Ashton
<ol style="list-style-type: none"> <li>1. The EV Charging users’ quarterly charge of £25 cease when individual charging is implemented on 1<sup>st</sup> April 2019 and, from this point forward, EV Charging users would <u>pay only</u> for the electricity they use. <i>This commenced for the current 19 users with the exception of 4 users in Breton car Park (see below).</i></li> <li>2. With effect from 1<sup>st</sup> April 2019, EV Charging users be directly billed per kWh of electricity at 25p/kWh (14p/kWh domestic rate + 11p management levy/kWh). <i>As above.</i></li> <li>3. All EV Charging users be assigned a dedicated EV bay, in line with the Car Parking Licence. <i>This is current practice.</i></li> <li>4. Officers progress the additional LEN funding of £17,000 to provide Breton House car park with charging facilities and connections via Smart Technology. <i>These works were completed in May and EV users in Breton Car Park are now charged for the electricity they use.</i></li> <li>5. Officers continue to update the Electrical Vehicle Working Party (EVWP), which will carry out a review in respect of usage and the pricing structure and report back to the BRC in September 2019. <i>A report is included in the agenda plan for September.</i></li> </ol>
