Subject: Light Touch Review – Standing Orders	Public
Report of: The Town Clerk	For Decision
Report author: Greg Moore – Principal Committee and Members’ Services Manager	

Summary

Over recent years, a number of *ad hoc* amendments have been made to the City Corporation’s Standing Orders. It is apparent that a small number of inconsistencies have crept in over time which need to be corrected; in addition, a handful of legislative changes which have come into force in recent years are not wholly reflected within the latest document.

A light-touch review has, therefore, been undertaken to correct any inconsistencies in the Standing Orders, provide further clarity where necessary, and to bring them up to date with legislation. Changes have also been made to make references to individuals gender-neutral, in line with the Policy and Resources Committee’s recent decision.

This is not intended to be a wholesale review of the Standing Orders. It does not probe the suitability of certain items or review whether custom and practice should be altered. Such a review would require Member endorsement and form the basis of a discrete and suitably resourced governance review.

As the Committee responsible for the review and co-ordination of the governance of the City of London Corporation, including its committees, standing orders and outside bodies scheme, the Committee is asked to consider the proposed amendments to Standing Orders and submit them to the Court of Common Council for approval.

Recommendation

That the proposed changes to Standing Orders be approved and submitted for consideration by the Court of Common Council.

Main Report

Background

1. Standing Orders are the written rules of the City of London of Corporation which confirm the internal organisational administrative procedures and regulate the conduct of meetings.

Proposed change to Standing Orders

2. As a matter of good practice, the opportunity has been taken recently to review Standing Orders, to ensure that they read correctly and do not contain any obvious errors; that they reflect current practice; that any cross references are accurate; and to ensure that the formatting is tidy and causes no confusion.
2. In addition, a number of areas have been identified where further clarity is either necessary or would be beneficial.
3. The proposed amendments are set out in full using tracked changes in the attached Appendix, for Members' ease. A summary of the main amendments is also set out below:
 1. **Application** – references to individuals throughout have been altered to make them gender neutral and the previous explanatory clause deleted (3f) as it is no longer required; reference to "Deputy Town Clerk" deleted as post no longer exists; amendment to remove potential interpretation of Aldermen not being part of the Court of Common Council.
 10. **Ballots** – new sub-clause to clarify partial and full-term appointments.
 13. **Questions** – (10) a timescale for written responses inserted and (11) clarity over number of questions that may be asked.
 15. **Disorder** – clarity on the process, incorporating the inclusion of warning before any action is taken.
 16. **Duration** – to bring into line with the arrangement for committees (i.e. a two-thirds majority rather than a simple majority).
 19. **Decisions Between Meetings** – (3) greater clarity in relation to consultees, to reflect practice.
 20. **Petitions** – to bring into line with the deadline for Motions and obviate difficulties potentially caused by bank holidays.
 22. **Committee Limit** – clarity over the counting of committees for the number of committees a Member may serve on.
 23. **Ward Committees** – clarity over the composition of ward committees and a new provision to reflect the previously agreed position relating to the Community and Children's Services Committee.
 29. **Chairmen** – (3) inclusion of Standards Appeal Committee and clarifying position on eligibility if already Chairman of the Open Spaces and City Gardens Committee and the West Ham Park Committee; (6) inclusion of voting arrangements; and (7) Investment Committee included in

recognition of the fact it meets only twice a year and does not act as a “normal” Grand Committee.

- 30. **Deputy Chairmen** – to more fully reflect the protocol for the election of deputy / vice chairmen to the Policy and Resources Committee; general voting arrangements included for clarity.
- 31. **Ward Reception Committees** – new SO (4) to recognise and include the process for the appointment of Aldermen.
- 32. **Access to Meetings** – new SO (2) to include reference to filming etc.
- 35. **Attendance** – (3) to include the Standards Appeal Committee and correct reference to co-opted Members rather than ex-officio Members.
- 37. **Conduct of Debate** – (2) to include definitions of a point of order and personal explanation.
- 39. **Disorder** - inclusion of warning before any action is taken.
- 44. **Interests** – to bring up to date with current legislation.

Part 9 Property – the following new SO proposed to cover the responsibilities of the Capital Buildings Committee, consistent with the approved wording within that Committee’s Terms of Reference:

54. Capital Buildings Committee

Where projects have been referred to, or are within the remit of, the Capital Buildings Committee, decisions in relation to the acquisition and disposal of properties related to the project, including disposal or alternative use of current operational properties to be vacated on completion of the project, shall sit outside of the normal Standing Orders (53-60) governing acquisitions and disposals.

57. Freehold Disposals – revised amounts for anticipated receipt requiring approvals from £0.5M to £1M, to bring consistency with the thresholds for leasehold disposals.

59. Variations – revised to clarify financial delegation limits and present the figures in a table, consistent with other related Standing Orders.

Proposal

- 4. It is recommended that the Court of Common Council is asked to approve these changes.
