Reasons for Significant Variations/Cyclical Works Carry Forward

4. The City has the programme of cyclical maintenance works to maintain its operational properties in fair to good condition. This is delivered in a number of overlapping three-year programmes of works, and is delivered at Epping Forest by the relevant departments, principally the City Surveyor, and the Director of Built Environment. In 2018/19 the overall agreed budget for these three-year programmes was £13.420m including £2.254m additional funding for City Fund projects, of which £6.851m was spent. The programme is monitored by the Corporate Asset Sub Committee and the carrying forward of the £6.569m unspent balance (i.e. £3,471m City Fund and £3.098m City's Cash/Guildhall) is subject to separate arrangements as each programme is phased over a number of years and generally not expected to be fully spent within year. In 2018/19 the final agreed budget for these programmes overseen by your Committee was £993,000, of which £627,000 was spent and the £366,000 unspent balance will be carried forward to 2019/20.

Local Risk Carry Forward to 2019/20

5. Chief Officers can generally request underspends of up to 10% or £500,000 (whichever is the lesser) of the final agreed local risk budget to be carried forward, so long as the underspending is not fortuitous and the resources are required for a planned purpose. Such requests are subject to the approval of the Chamberlain in consultation with the Chairman and Deputy Chairman of the Resources Allocation Sub Committee.
6. Overspends are carried forward in full and are met from the agreed 2019/20 budgets.
7. The Director's worse than budget position of £7,000 (Local Risk) has been aggregated with budget variations on services overseen by other committees which for City's Cash produce an overall worse than budget position of £83,000 (Local Risk) across all Open Spaces excluding the learning programme. Consequently, the Director of Open Spaces has no carry forward requests within City Cash.
