Main Report

Background

1. Service Committee budgets are prepared within the resources allocated by the Policy and Resources Committee and, with the exception of the Policy and Resources Committee, such budgets do not include any significant contingencies. The budgets directly overseen by the Finance Committee therefore include central contingencies to meet unforeseen and/or exceptional items that may be identified across the City Corporation's range of activities. Requests for allocations from the contingencies should demonstrate why the costs cannot, or should not, be met from existing provisions.
2. In addition to the central contingencies, the Committee has a specific City's Cash contingency of £100,000 to support humanitarian disaster relief efforts both nationally and internationally.

Current Position

3. The uncommitted balances that are currently available for 2019/20 are set out in the table below. At the time of preparing this report there are no requests for funding elsewhere on the agenda.

2019/20 Contingencies – Uncommitted Balances and requests at 5 July 2019
