<u>Visitor Experience</u> : Common understanding of 'visitor experience'.	Amber	Not Yet Due	31/08/18	31/12/19	Management comment, December 2018: As agreed with Members, our aim is to create an environment that enables and inspires others to achieve their best. It was agreed that this is to be achieved through the delivery of the following prioritised areas: 1) Compliant, 2) Efficient, 3) Appropriate. We have been delivering a ground-up review and much resultant change and this has meant that people have had to prioritise their finite time on areas of compliance including fire safety and terrorism for example. The Barbican's Strategic Plan defines the goals, one of which is Visitor Experience, (which, unfortunately, shares its name with one of our teams, causing confusion during the audit). Within that goal are contained the objectives all of which have a direct and indirect impact on audience experience. Within these are projects which deliver change in the areas of audience experience. Our prioritised plan means that we will focus on the points raised in the audit and bring together the projects under the 'appropriate' priority. In the meantime, the works under 'compliant' and 'efficient' have all contributed to the Visitor Experience.
