Hi Robert,

Thanks a lot for your note. In this case, I'd like to amend my representation to say that I am supportive of the very limited variation proposed but would not be supportive of any further changes (e.g. later at night or weekends). In particular, am keen that this does not become the foundation for further "mission creep" later on!

Cheers, Anthony

Hi Anthony,

This application is only to vary the licence as per the description Monday to Friday. The inclusion of Saturday was an error by the applicant and has since been amended. Please confirm if you would still like your representation to stand.

Regards

Robert
