Hello,

As a resident of Andrewes House, Barbican, I wish to object the license to permit the supply of alcohol Mon-Sun 11 am-11 pm at Daisy Green (2 London Wall Place EC2Y 5DH). Outdoor drinking in the external terrace during these hours in this residential area would create serious noise pollution and unsociable behaviour and strongly negatively affect the quality of life of myself and other residents in Andrewes House.

Thank you.

Alexander Walther
