Risk identification

The Trustee is committed to a programme of risk management as an element of the Trustee's strategy to preserve the charity's assets, enhance productivity for service users and members of the public.

In order to embed sound practice a Risk Management Group of employed officers has been established by the City of London Corporation to ensure that risk management policies are applied, that there is an ongoing review of risk management activity and that appropriate advice and support is provided to elected Members and officers.

The City of London Corporation has approved a strategic risk register for all of its activities. This register helps to formalise existing processes and procedures and enables the City of London Corporation to further embed risk management throughout the organisation in the exercise of all its functions, including when acting as charity Trustee.

Consequently, a key risk register has been prepared for this charity and has been reviewed by the Trustee. It identifies the potential impact of key risks and the measures which are in place to mitigate such risks.

Charity Governance Code

The Charity Governance Code was published in July 2017. The charity is supportive of the Code and its aim to assist in the development of high standards of governance throughout the sector. At this early point after the release of the Code, the Trustee is currently considering application of the recommended practice to the work of the charity.

Going Concern

The Trustee considers the charity to be a going concern for the foreseeable future as detailed in the Accounting Policies note 1(b).

Reserves Policy

The Reserves Policy is to maintain the capital base of the charity in investments in the Charities Pool administered by the City of London Corporation and use the investment income in accordance with the objectives of the charity.

Investment Policy

The charity's investments are held in units of the City of London Charities Pool. The Charities Pool is an investment mechanism operating in a similar way to a unit trust. It enables the City of London Corporation to "pool" small charitable investments together and consequently obtain better returns than would be the case if investments were made individually. The investment policy of the Charities Pool is to provide a real increase in annual income in the long term whilst preserving the value of the capital base. The Annual Report and Financial Statements of the Charities Pool are available from the Chamberlain of London.

Fundraising

Section 162a of the Charities Act 2011 requires charities to make a statement regarding fundraising activities. Although we do not undertake widespread fundraising from the general public, the legislation defines fundraising as "soliciting or otherwise procuring money or other

property for charitable purposes". Such amounts receivable are presented in our accounts as donations.

In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fund-raisers, or third parties. The day to day management of all income generation is delegated to the executive team, who are accountable to the trustee.

Our terms of employment require staff to behave reasonably at all times and we have received no complaints in relation to fundraising activities.

6. Plans for Future Periods

The on-going targets are to continue to provide for prizes in various subjects, to continue to provide sums to assist children to study various subjects at the school and to assist in further education.

7. Disclosure of Information to the Auditor

At the date of approval of this report, the Trustee confirms that:

- so far as they are aware, there is no relevant audit information of which the Auditor is unaware; and
- the Trustee has taken all the steps that it ought to have taken in order to make itself aware of any relevant audit information and to establish that the Auditor is aware of that information.

8. Statement of Trustee's Responsibilities

The Trustee is responsible for preparing the Trustee's Annual Report and the Financial Statements in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2015 and the Charities Act 2011.

The law applicable to charities in England & Wales requires the Trustee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustee is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable the Trustee to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the trust deed. The Trustee is also responsible for

Independent Auditor's Report to the Trustee of The Charities Administered In Connection With The City of London Freemen's School

Opinion

We have audited the financial statements of The Charities Administered In Connection With The City of London Freemen's School (the 'charity') for the year ended 31 March 2019 which comprise the statement of financial activities, the balance sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 March 2019 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions related to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon. The Trustee are responsible for the other information.

Independent Auditor's Report to the Trustee of The Charities Administered In Connection With The City of London Freemen's School (continued)

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion;

- the information contained in the financial statements is inconsistent in any material respect with the Trustee's Annual Report; or
- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustee

As explained more fully in the Trustee's responsibilities statement, the Trustee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee

Independent Auditor's Report to the Trustee of The City of London School Education Trust (continued)

that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's ("FRC's") website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charity's trustee, as a body, in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the Charity's trustee those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's trustee as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the year ended 31 March 2019

1. Accounting Policies

The following accounting policies have been applied consistently throughout the year and in the preceding year in dealing with items which are considered material in relation to the charity's financial statements.

(a) ***Basis of Preparation***

The financial statements of the charity, which is a public benefit entity under FRS102, have been prepared under the historical cost convention, as modified for the revaluation of investment property and financial investments measured at fair value, and in accordance with the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities, published in 2015, Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities Act 2011.

(b) ***Going Concern***

The Trust is considered a going concern for the foreseeable future as the Trustee has due regard to maintaining the capital base and only donations and investment income are generally used in furtherance of the objectives of the Trust. Part of the Charity's income is from investments in the Charities Pool administered by the City of London Corporation. The Pool's investment policy is set out in Section 5 of the Annual Report.

(c) ***Cash Flow Statement***

The Trust has taken advantage of the exemption in FRS102 from the requirement to produce a statement of cash flows on the grounds that it is a small entity.

(d) ***Income Recognition***

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

(e) ***Investment Income***

Investment income consists of distributions from the Charities Pool and interest receivable on cash balances. The Charities Pool is an investment mechanism operating in a similar way to a unit trust. It enables the City of London Corporation to "pool" small charitable investments together and consequently obtain better returns than would be the case if investments were made individually.

(f) ***Expenditure Recognition***

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

(g) ***Investments***

Investments are valued annually at the middle market price at the close of business on 31 March. Gains and losses for the year on investments held as fixed assets are included in

**CHARITIES ADMINISTERED ICW
THE CITY OF LONDON FREEMEN'S SCHOOL**

Notes to the Financial Statements for the year ended 31 March 2019

the Statement of Financial Activities. The unrealised loss on investments at the balance sheet date is included in the charity's funds.

(h) ***Fund Accounting***

The funds of the charity consist of a permanent endowment fund that holds the original endowment of the charity, which is invested and shown at market value, and a restricted fund that contains any undistributed annual income carried forward for use in future years.

(i) ***Taxation***

The charity meets the definition of a charitable trust for UK income tax purposes, as set out in Paragraph 1 Schedule 6 of the Finance Act 2010. Accordingly, the charity is exempt from UK taxation in respect of income or capital gains under part 10 of the Income Tax Act 2007 or section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

(j) ***Significant Management Judgements and Key Sources of Estimation and Uncertainty***

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. Management do not consider there to be any material revisions requiring disclosure.

2. Tax Status of the Charity

As a registered charity income and gains are exempt from income tax to the extent that they are applied to charitable purposes.

3. Income

Income is analysed as follows:

	2018/19	2017/18
	£	£
Voluntary Income		
Donations	7,149	6,120

It is consequently not possible to quantify this assistance in the Statement of Financial Activities.

Auditor's remuneration and fees for external financial services

The City of London's external auditor audits this charity as one of the numerous charities administered by the City of London Corporation. The City of London Corporation does not attempt to apportion the audit fee between all the different charities but prefers to treat it as part of the cost to its private funds. No other external financial services were provided for the Trust during the year or in the previous year.

6. Other Items of Expenditure

Trustee expenses

Members of the City of London Corporation acting on behalf of the Trustee received no remuneration or reimbursement of expenses during the current or previous year.
