Hi Simon,

For the purpose of clarification, can I confirm that you are willing to change your variation application to amend the condition proposed to the following:

'All sales of alcohol for consumption off the premises shall be in sealed containers only, with the exception of alcohol to be consumed on the roof terrace, and sales for consumption by patrons seated at tables which benefit from a licence granted to the applicant by the highway authority under S.115E Highway Act 1980. In both locations alcohol may be consumed up to 21:00 hours.'

This will bring it in line with the tables and chairs application and clarify things.

Thanks

Robert
