### **Background**

The role of the City of London Police Authority is to provide scrutiny and challenge to the work of the City of London Police (CoLP). In discharging more than 60 statutory duties, the Police Authority must ensure that CoLP delivers efficient and effective policing for the public within a sustainable medium-term financial plan (MTFP), and hold the City of London Police Commissioner to account for the delivery of policing within the Square Mile and in its capacity as the national lead force for economic crime as set out in the Policing Plan.

The City is exceptional in retaining a police authority in the form of the Court of Common Council, acting through the City of London Police Authority Board to which the Common Council has delegated its general functions. The Police Authority Board provides a directly elected scrutiny body mirroring the model deployed for Police & Crime Commissioners (PCCs). In fulfilling its role, the Police Authority Board and its Committees must be mindful of public confidence in policing, ensure the Force provides value for money, and that the needs of local communities are met as effectively as possible by CoLP.

### **Key Responsibilities**

The roles and responsibilities of a Police Authority Board External Member are as follows:

- to hold the Police Commissioner and the Force to account, ensuring the Force is accountable to the communities they serve;
