CHB Pensions 009a	DLUHC has confirmed the proposed remedy and the intention to introduce legislation to the statute books from 1 April 2023 but applied retrospectively to 31 March 2012 and 31 March 2014. The Pensions Office will need to understand what this means, develop processes and calculations to apply the regulations for the amended schemes and should be aware of all relevant correspondence issued by the DLUHC, LGA & HMRC and regularly attend seminars, forums, webinars and user groups.	Continue with membership of working groups including South East Counties Senior Officer Group (SEC SOG), Aquila Heywood Remedy Implementation Group, to ensure development of software and understanding of legislation. Attend conferences, webinars, forums and seminars as appropriate and keep up to date with bulletins and guidance from the Home Office.	Graham Newman	27-Feb-2024	31-Aug-2024
CHB Pensions 009b	Identification of eligible scheme members who will qualify for the remedy. All data must be reviewed and if necessary amended. In some cases data may be missing and must be requested from employers and previous pension providers.	Perform data review exercise in bulk and individually to identify scheme members who may qualify and/or identify missing data. Software provider currently developing systems to identify qualifying scheme member on bulk reports. Develop data process to request missing information and scheme member record update.	Graham Newman	27-Feb-2024	31-Aug-2024
CHB Pensions 009c	System Development Calculation/Revaluation	Software provider currently developing calculations and recalculations of deferred benefits and those already in receipt of pension to identify incorrect values and any over/underpayments. <u>The software has been updated to allow for calculations and recalculations of deferred benefits and those already in payment to identify where the Remedy will affect the benefits already calculated. The calculators are kept under constant review to ensure that they work as intended and regular updates are provided as they are developed by the software supplier.</u> Development should <u>has</u> included bulk calculations and calculations for individuals, <u>and</u> include revised pension amounts, arrears payable/collectible (benefits and contributions) plus interest payable <u>where</u> if applicable.	Graham Newman	27-Feb-2024	31-Aug-2024
CHB Pensions 009d	Working in conjunction with LGA to prepare communications and standard responses (FAQs) to be sent to affected scheme members.	It will be essential for communications to be regular, <u>and</u> clear <u>and ongoing</u> . Further detail about the proposed <u>Updates in respect of the</u> remedy and delivery of it, including scheme members who may be affected, must be <u>provided as appropriate</u> known prior to any specific <u>remedy communications</u> . The Pensions Office website carries current information from various sources including DLUHC. Further communications will be added when they are released.	Graham Newman	27-Feb-2024	31-Aug-2024

		<p>The <u>2023</u> Annual Benefit Statements (ABS) contain a statement on McCloud provided by the LGA and in 2023 will also included a link to a leaflet that was created by the LGA in conjunction with the Scheme Advisory Board (SAB). This leaflet is <u>was</u> also already available on the City's Pension Website.</p> <p>The ABS will <u>now</u> need to be amended following implementation of the amended regulations as McCloud data will need to be included for each scheme member.</p> <p>Scheme members who may be affected will need a final communication confirming if benefit values have been amended and if so by how much, including value of arrears and interest if applicable.</p>

CHB Pensions 010a	Investment managers' performance and their aggregate performance is measured against appropriate benchmarks and will be monitored by the Pensions Committee throughout the year. It is supplemented by market insight from the Corporation's investment consultants which provides peer group comparisons; checks on movement of key officers; and reviews on the incorporation of ESG considerations in implementing their investment strategies. Fund managers are invited to meet with Officers and Members to account for their performance as and when deemed necessary/as required.	The performance report for the Pension Fund to 31 July 2023 <u>31 January 2024</u> , along with the Investment Consultant's quarterly report (to June 2023 <u>December 2024</u>) is reported to the Pensions Committee on 12 September 2023 <u>19 March 2024</u> .	Kate Limna; Sarah Port	27-Feb-2024	31-Mar-2025
CHB Pensions 010b	Under the Government pooling agenda, London CIV is the asset pool operator for London LGPS funds. The LCIV holds monthly updates for Shareholders advising on latest developments for examples, product development and ESG/Climate related actions.	At the August 2023 <u>February 2024</u> monthly meeting, the LCIV had no changes to the monitoring status of funds but were keeping a close watch on how Fund Manager performance. particularly in this volatile market. At a meeting in late 2022, the investors in the Global Alpha Growth Fund (of which there were 5) were advised that should the number of investors fall below 3, an orderly exit from the fund may be considered. The current number of investors remains at 5.	Kate Limna; Sarah Port	27-Feb-2024	31-Mar-2025

Grant Thornton LLP cannot sign off the 2021/22 accounts until BDO LLP have signed off the 2020/21 accounts. The delays are beyond Pension Fund control and have no material impact on the Fund's position.</p> <p>The 2022/23 Pensions Fund audit is currently underway.</p>			
CHB Pensions 002c	Checking for errors or inconsistencies in valuation extract report before submission to the Actuary	Officers review data quality prior to submission to the actuary. Additionally, scheme member data is submitted separately from employer level cash flow data, which are held on two distinct management information systems. As a result, errors are more easily identified during the valuation process itself. For example, if the scheme member data demonstrates that a given number of scheme members belonging to a single employer retired during the valuation period then this should also be evident from the benefit payments reported in the cash flow data.
