| Compliance with         | Essential for business | New opportunity/ idea |
|-------------------------|------------------------|-----------------------|
| legislation, policy and | continuity             | that leads to         |
| audit                   |                        | improvement           |

## Project Benchmarking:

[12] What are the top 3 measures of success which will indicate that the project has achieved its aims?

<These should be impacts of the activity to complete the aim/objective, rather than 'finishes on time and on budget'>>

1) Improve comfort and wellbeing for the residents, illuminate water penetration

2) EPC rating

3) Asset value maintained

[13] Will this project have any measurable legacy benefits/outcome that we will need to track after the end of the 'delivery' phase? If so, what are they and how will you track them? (E.g. cost savings, quality etc.)

Residents to be happy that the leaks currently experienced will be no more.

## [14] What is the expected delivery cost of this project (range values)[£]

Lower Range estimate: £259,000

(Basic £230,000 (No. 2wallside £15K removed 25Jan24) + (fees-Staff & Consultant@12.5% £29,000)= **£258,000** 

## Upper Range estimate: £323,000

Basic + Fees + (Cost Risk Provision@25%£65,000)= £323,000

[15] Total anticipated on-going revenue commitment post-delivery (lifecycle costs)[£]:

The life cycle is a minimum 25 year (covered by warranty)-35 years before potential replacement. No maintenance should be required for the roof or garden canopy.

[16] What are the expected sources of funding for this project?

City Fun recoverable by service charges from leaseholders

[17] What is the expected delivery timeframe for this project (range values)?

Are there any deadlines which must be met (e.g. statutory obligations)?

Lower Range estimate: start Autumn 2023 – end date Winter 2023

Upper Range estimate: start spring 2024- end date Summer 2024

Project Impact:

[18] Will this project generate public or media impact and response which the City of London will need to manage? Will this be a high-profile activity with public and media momentum? Not expected
