Annual  
Wardmote  
Resolutions

Resolutions of the Annual Wardmotes:-

#### **From the Ward of Aldersgate**

To review the traffic lights at the Aldersgate Street/Beech Street junction as regards the safety of pedestrians in the light of traffic light phasing, timing and the resulting traffic flow and the effect it appears to have had on undisciplined cyclists.

*Resolved* – That the resolution be referred to the Planning and Transportation Committee for consideration and any necessary action.

#### **From the Ward of Castle Baynard**

Noting the frequent delays caused by the tail back of traffic from the pedestrian crossing in front of St Paul's, and the resulting increased pollution, the voters of the Ward of Castle Baynard request the City of London Corporation to install a temporary traffic light controlled crossing for a six month trial period to test whether this would overcome this long-standing problem.

*Resolved* – That the resolution be referred to the Planning and Transportation Committee for consideration and any necessary action.

#### **From the Ward of Cheap**

That once again great concern be expressed at the serious lack of Post Offices within the Ward of Cheap and within the City generally. The Corporation is strongly urged to continue its efforts to ensure that adequate Post Office facilities are provided throughout the City (possibly by using s106 monies to fund a ground floor facility, for example).

*Resolved* – That the resolution be referred to the Policy and Resources Committee for consideration and any necessary action.

**From the Ward of Cripplegate, Within and Without**

Since the recent testing and remedial works to the concrete in the three Barbican Tower Blocks relate to structural matters, Barbican residents take the view that the costs for these works should be borne by the Landlord i.e. the City of London Corporation and not Long Lessees of the Barbican Estate. Does the Corporation not agree that this is a reasonable and correct assumption of Barbican residents? On what basis does the Corporation arrive at a different conclusion to residents and furthermore, what provision of the lease would justify charging Long Lessees for these works?

*Resolved* – That the resolution be referred to the Barbican Residential Committee for consideration and any necessary action.

**From the Ward of Farringdon Within**

Concern was expressed about the apparent lack of co-ordination in and the frequency of the carrying out of road works and the length of time that it takes to redesign and reconstruct roads in the Ward and the City all of which cause substantial difficulties to all road users in the Ward. The City of London Corporation is requested to review again what steps could be taken to reduce the considerable inconvenience to all road users of the incidence of road works in the Ward in particular and the City in general.

*Resolved* – That the resolution be referred to the Planning and Transportation Committee for consideration and any necessary action.

**From the Ward of Portsoken**

- (i) That the Community and Children's Services Committee be thanked for their support for the provision of healthcare in the Ward of Portsoken which is much needed.

*Resolved* – That the resolution be referred to the Community and Children's Services Committee for consideration and any necessary action.

- (ii) The Wardmote expressed its concern at the level of council tax being borne by residents in the City of London and resolved that the City of London Corporation officers be asked to review the level and the scope for its reduction.

*Resolved* – That the resolution be referred to the Finance Committee for consideration and any necessary action.

This day the Court proceeded to the annual appointment of Committees.

*Resolved* – That the several Committees be appointed until the first meeting of the Court in April 2013, and that the terms of reference and constitutions be also approved.

**Terms of Reference and Delegation**

7. The Court of Common Council may discharge its functions and responsibilities through delegation to the several committees and through delegation to officers, in accordance with the Framework for Accountability and Delegation (agreed by the Court in January 2005).

Letters Letter of:-

the Lord Levene of Portsoken, K.B.E. thanking the Court for the resolution passed following the announcement of his retirement from the Court of Aldermen.

Read.

Chris Duffield Esq., of 12 March 2012, giving six months' notice of his intention to retire from Office as Town Clerk of the City of London was read.

Resolved – That the letter be received and referred to the Policy and Resources Committee.

Questions 1) **Brian Mooney** asked the **Chief Commoner** about Prayers at meetings of the Court.

Kenneth  
Edwin  
Ayers,  
M.B.E.,  
Deputy

In response, **the Chief Commoner** stated that the practice of saying Prayers, read by a Minister ceased in 1944 when Members switched to the practice of saying the City Corporation's motto 'Domine Dirige Nos' to open the Court's proceedings, after-

Roger  
Arthur  
Holden  
Chadwick

which 'Amen' was said. He added that this differed from the circumstances at Bideford where prayers were part of the formal agenda and were minuted as such. Councillors were required to attend prayers and the prayers in question were led by an invited Minister, followed by a short homily. He concluded that he considered that there was no need to make any change to the current practice.

In response to a supplementary from **Peter Dunphy** which questioned the use of the word 'Amen', **the Chief Commoner** stated that there was no legal issue over saying the word 'Amen'.

In response to a further supplementary from George Abrahams, the Chief Commoner confirmed that 'Amen' meant 'we agree'.

2) **Brian Mooney** asked the Chairman of the Port Health and Environmental Services Committee about traffic pollution in the area of Smithfield Market.

In response, **the Chairman** stated that some 60 articulated heavy goods vehicles regularly unloaded carcass and boxed meat product, normally between 10pm and 3am overnight between Sundays and Thursdays. The routing of those larger delivery vehicles were regulated by the London Lorry Control Scheme, ensuring that the impact of those vehicles was both sustainable and suitable. He added that from 3am daily, approximately 500 light goods vehicles utilised spaces available in loading bays around the 3 market buildings to pick up product purchased from the market and although those figures were averaged over the course of a year, seasonal fluctuations could lead to a rise of as much as 50% at peak times, such as the week leading up to Christmas. In addition, the adjoining Rotunda car park had approximately 300 customers a day, including approximately 50 market customers and 110 market traders and their employees. He stated that, to put these figures into context, some 200,000 motor vehicles entered the City of London each week day over a 24 hour period, and some 100,000 at weekends. He concluded that, having considered the times of the operation of the market, the impact of the Lorry Control Scheme, and the comparison with levels of traffic within the City, the impact of those vehicles was both sustainable and suitable.

In answer to a supplementary from **Brian Mooney**, the **Chairman** undertook to supply the Member with such information as was held concerning the carbon footprint of Smithfield Market.

A further supplementary from **Alex Deane** referred to the fact that Smithfield Market would have the same carbon footprint wherever it was situated.

In answer to a further supplementary from **Deputy Stanley Ginsburg**, the **Chairman** undertook to supply the Member with any information about the carbon footprint of the Market which took account of the Crossrail project.

In answer to a further supplementary from **Alex Bain-Stewart**, the **Chairman** undertook to discuss the most recent statistics on traffic within the City with the

19<sup>th</sup> April 2012

Member outside of the meeting.

3) **Oliver Lodge** asked the Chairman of the Policy and Resources Committee about the steps that the City Corporation was taking to protect the international competitiveness of the UK's investment funds industry.

In response, the **Chairman** reminded Members of action taken to date and detailed the current position on matters in connection with proposals to implement the Alternative Investment Fund Managers Directive. He added that the City Corporation had been in close touch with a number of firms, the relevant trade associations and the European Securities Markets Authority about a possible approach to recent developments and, because of the tight timescale and the largely technical nature of the process at this stage, the trade body had suggested that the City not take action on this issue, but consider taking action to avoid a repetition of the experience with future Directives, and he undertook to do this.

In response to a supplementary from **Martin Day**, the **Chairman** confirmed that there was no easy solution to this matter.

Motions There were no motions.

Awards and Prizes There were no reports.

(B) **Early Evening Reception to recognise the work of London's Uniformed Adult Volunteers**

YOU (Youth Organisations – Uniform) London is a unique partnership of ten of the oldest, largest and most experienced uniformed youth organisations in London: the Air Training Corps LaSER (London and South East Region); Army Cadet Force; Boys' Brigade; Community Fire Cadets; Girlguiding LaSER; Girls' Brigade; Sea Cadet Corps; St John Ambulance (Prince of Wales' District); The Scout Association Greater London; and Volunteer Police Cadets. It co-ordinates an area committee in each of London's 32 boroughs, with its Board chaired by one of the Deputy Lord Lieutenants of Greater London and is supported by partner organisations including the Greater London Authority. With over 17,000 adult volunteers supporting approximately 76,000 children and young people across Greater London, these organisations help to provide a range of opportunities for young people which are recognised to improve school attendance, help young people to achieve more and reduce the likelihood of antisocial behaviour.

In recognition of the commitment and contribution of current adult volunteers and to thank them their work during Her Majesty's Diamond Jubilee and the 2012 Olympic Games in London, we **recommend** that adult members and volunteers from YOU London organisations, the Mayor of London and GLA representatives, the Greater London Lieutenancy, politicians, senior figures from the Armed Forces and the Greater London Reserve Forces and Cadets Association, representatives from those Livery Companies having relevant connections, and representatives from the Metropolitan Police Service, Safer London Foundation, The Jack Petchey Foundation, and The Prince's Trust be invited to attend a reception to be held in the Guildhall in October 2012; it being referred to this Committee to make the arrangements out of City's Cash within the approved cost parameters.

(C) **Communications Strategy 2012-2015**

The Communications Strategy sets out the City of London Corporation's plan of action over the short to medium-term for communicating our activities and managing our reputation. It is comprised of three core stands, supporting and promoting the City as a world leader in international finance and business services, promoting the City Corporation as a provider of modern, efficient and high quality local and policing services and promoting our role as a provider of valued services to London and to the nation as a whole.

The Communications Strategy, a copy of which has been circulated separately, identifies two key priorities for 2012/13, namely:-

- **Supporting London's communities** i.e. all the work we do to support educational and cultural opportunities and economic development, thereby helping to provide jobs and growth and improve the quality of life throughout London; and
- **Helping to look after London's heritage and green spaces** i.e. all the

19<sup>th</sup> April 2012

work we do to look after London and the nation's heritage and to provide green spaces across the capital and beyond.

Each City Corporation department, in drawing up their business plan, is required to take the Strategy into account when dealing with the communications aspects of their own work to ensure a consistent and co-ordinated approach.

We **recommend** that approval be given to the Communications Strategy for 2012-2015.

We, therefore, advise that Chris Duffield has tendered his resignation and intends to retire on 16<sup>th</sup> September 2012.

At the meeting of the Court in January 2012, the process for recruitment to vacancies filled by the Court was raised and the Policy and Resources Committee was requested to report back on those arrangements. Work is ongoing in this respect and a report will be submitted to the Court shortly.
