

Committee: Police Committee	Date: 28 February 2014
Subject: Corporate Governance – Scheme of Delegations and Standing Orders	Public
Report of: Town Clerk	For Decision

Summary

As part of the City Corporation's arrangements for ensuring good governance the Scheme of Delegation to Chief Officers has been reviewed and a number of changes have been proposed. The changes, which principally reflect changes to legislation and previously agreed City Corporation's policies, are due to be considered by Policy and Resources Committee on 23 January 2014 before being submitted to the Court of Common Council.

The Policy Committee is responsible for the review and for the co-ordination of the City Corporation's governance arrangements. The Committee will therefore be considering the Scheme in its entirety including the general framework and conditions of the delegations and an amendment to Standing Orders which relate to the declaration of operation property assets which are surplus to requirements.

All service committees are required to consider those elements for which they have responsibility. A copy of the revised section applicable to this Committee is attached as an appendix to this report for your consideration.

Recommendations

1. Subject to the approval of the Policy and Resources Committee of the overall Scheme of Delegation, the delegations relating to the Commissioner of Police as set out in the appendix to this report be approved; and
2. note the proposed amendment to Standing Orders relating to the declaration of operation property assets which are surplus to requirements.

Main Report

Background

1. As a corporate body all decisions are vested in the Court of Common Council. To facilitate the administration of the City Corporation's many and complex functions, the Court delegates the majority of its functions to its committees and officers. The committee terms of reference set out the functions delegated to committees whilst the Scheme of Delegations sets out those functions which have been delegated to officers.

Scheme of Delegations

2. The Scheme of Delegations has recently been reviewed and a number of changes are proposed which on the whole reflect changing legislation, amendments to corporate policy and operational needs. A copy of the revised Chief Officer delegations relevant to this Committee is attached as an appendix to this report. Whilst none of the changes involve a significant new delegation of powers, where new powers are proposed for delegation, these have been highlighted.
3. A full copy of the Scheme is available for Members to view in the Members' Reading Room and is also available on request.
4. The Policy and Resources Committee are responsible for the review and co-ordination of the City Corporation's governance arrangements which includes amongst other things, committees and Standing Orders.

Standing Orders – Declaring Assets Surplus

5. The drive for efficiency savings including the Corporate Asset Realisation Programme and the more recent Service Based Reviews have highlighted the need for the City to more effectively identify those assets which are surplus to departmental need so they can be considered for alternative uses or disposal.
6. Whilst there are a number of officer groups considering the efficient and effective use of assets and resources it is felt that their work would be assisted by a change to Standing Orders which would formalise the process for Chief Officers and Committees identifying assets as surplus. It should be noted that prior to the approval of the Court, the Policy and Resources Committee is being asked to consider adding the following with regard to this.

Standing Order No 55 - Identification of Property Assets Surplus to Departmental Requirements

(1) Committees are required to consider the effective and efficient use of all operational property assets. This will be monitored by the Corporate Asset Sub Committee

(2) Where assets are no longer required, in whole or in part, for the provision of operational services for which they are currently held, a report on the circumstances must be made to the Corporate Asset Sub Committee. This does not apply where letting are an integral part of the service e.g. market or housing tenancies

Corporate & Strategic Implications

7. The proposed changes to the Scheme of Delegations and Standing Orders are intended to support the effective governance of the City of London and ensure that decision making is effective and transparent.
