

This template is to be used for part 2 of HWB BCF plans and replaces the original template available on the NHS England BCF webpage. The new version contains more information in the metrics section and is locked in order to assist in the NHS England assurance process .

This new template should be used for submitting final BCF plans for the 4th April

The three tabs containing tables have been protected so that the structure can not be modified in a way that will impede the collation of all HWB plans. However, for the finance tables whole rows can still be inserted by right clicking on the row number to the left of the sheet and clicking 'insert'.
