### **Main Report**

#### **Background**

1. It was agreed, by this Board, that the appointment of all co-opted Governors would be reviewed after they had completed a period of 3 years in office. Candidates would then be given the opportunity to re-apply for their position on the Board if they so wished.
2. The current three year term of office for Professor John Betteridge will come to an end later this month. Professor Betteridge has expressed a willingness to stand for re-election as a co-opted Governor on the Board. Professor Betteridge has provided a brief biography to support his re-election, which is attached at Appendix A.
3. At the Board of Governors meeting in February 2010, the Chairman proposed that, rather than awaiting the expiration of a co-opted Governor's term of office, re-appointments should be put to the Board of Governors, along with supporting papers, at their meeting immediately preceding the expiry of the three year term of appointment of any co-opted Governor willing to be considered for re-appointment in order to ensure continuity of service.
4. In accordance with this proposal, Governors are asked to consider the re-appointment at this meeting.
5. Following a discussion at the December 2011 Board meeting, the Town Clerk has also been asked to provide the attendance details of co-opted Governors when asking the Board to consider their re-appointment.

I can report that, since his last appointment to the Board in December 2011, Professor Betteridge has attended 6 out of a possible 12 Board meetings.

6. Governors are now asked to consider Professor Betteridge's re-appointment for a further full three year term.
