

Defibrillator 'One-Stop-Shop' For Accredited Defibrillator Provision

"Being ready to save a life costs less than a cup of coffee a day."

The Defibrillator one-stop-shop provides organisations with the opportunity to purchase, manage and maintain a defibrillator to accreditation standards for a fixed price over five years. Under this scheme the initial set up cost for a defibrillator, storage cabinet and training is less than the recommended retail price of the defibrillator alone.

	Defibrillator ¹	Cabinet or bracket ²	Training ³	Maintenance	Cost (ex VAT)
Year 1	✓	✓	✓	✓	£1,995
Year 2			✓	✓	£375
Year 3			✓	✓	£375
Year 4			✓	✓	£375
Year 5			✓	✓	£375
Total over 5 years	✓	✓	✓	✓	£3,495

¹ Defibrillator provided under this option is the same model that is used by LAS Paramedics; Physio-Control Lifepak 1000 (rrp £2200 +VAT).

² Customers will be responsible for fixing the storage cabinet or bracket to a suitable wall.

³ The training consists of a 3-hour training course for a maximum of 12 people delivered at the client's site.
