Main Report

Background

- 1. Adult Safeguarding is governed by National statutory guidance, "No secrets" (DOH 2000), which places the lead responsibility for coordinating safeguarding adults work with the local authority.
- 2. The City of London became a strategic partner alongside Hackney, in relation to Adult Safeguarding in 2010, through the formation of the City and Hackney Safeguarding Adult Board (CHSAB), with the aim of enhancing governance arrangements, scrutiny and best practice across the two localities. The CHSAB is currently a non-statutory, multi-agency partnership that meets on a quarterly basis and is represented by a range of agencies from the statutory and voluntary sectors.

The Board is made up of the following partners;

- NHS North East London cluster (NELC) general medical and mental health care,
- East London Foundation Trust (ELFT),
- Barts Health
- Homerton University Hopsital (HUH)
- Hackney Adult Social Care
- CoL Adult SociaL Care
- The Care Quality Commission (CQC),
- Metropolitan Police Service
- City of London Police
- City of London London Fire Brigade,
- Hackney Fire Brigade
- Older Peoples Reference Group
- 3. Preventing abuse and neglect of adults-at-risk, and taking appropriate action where it occurs is the core business of the City and Hackney Safeguarding Adults Board. From April 2015 the work of Safeguarding Adult Boards will be placed on a statory footing as a result of the Care Act 2014.
- 4. The work of the board includes oversight of multi-agency City and Hackney safeguarding adults policies and procedures for protecting vulnerable adults, taking into account statutory requirements, national guidance and London regional policies.
- 5. The CHSAB monitors incidents of abuse and neglect, reviews trends and acts where appropriate to improve services and support to vulnerable adults. It regularly evaluates how agencies and providers safeguard vulnerable adults via analysis of the quality assurance and scrutiny systems across partner agencies.
- 6. The CHSAB has the authority to commission Serious Case Reviews , as well mangement reviews where opportunities for multi agency learning may arise.
- 7. It maintains a programme of training and development on safeguarding vulnerable adults for staff across agencies in the statutory, independent provider and voluntary sectors.
- 8. The board also seeks to raise public awareness of safeguarding and engages the wider community in helping to prevent abuse and neglect, and to report where they have concerns.
- 9. The City Of London has its own Safeguarding Adults Sucb Committee that meets on a bi monthly basis and reports on its work to the City of London Adult Wellbeing Partnership and the City and Hackney Safeguarding Adults Board.

10.Safeguarding Adults: A National Framework of standards for good practice outcomes in adult protection work(ADASS 2006) recommended that Adult Safeguarding Boards produce an annual report highlighting activity and achievements against agreed business plan objectives. The City and Hackney Safeguarding Adults Report 2013/14 was published in ADD and is attached as an appendix.

Current Position

- 11. The Annual Report 2013/14 highlights the key developmets that took place in the year including the Care Act receiving Royal Assent in May 2014, publication of the Mental Capacity Act 2005 House of Lords post legislative scrutiny report, Deprivation of Liberty supreme court judgement, Making Safeguarding Personal programme, changes in the Care Quality Commission and response to Winterbourne Review.

A referral is when an alert (following a decision made by the Team Manager) is accepted to be a safeguarding issue and is managed through the safeguarding process. Adult Safeguarding is an integral part of the whole team approach, with two social workers being trained as Safeguarding Adult's Managers (SAM's) as well as the Team Manager. There is a designated social worker who carries out care home reviews as a direct response to the Winterbourne review.
- 15. The number of Safeguarding Alerts received from April 2013 to March 2014 was 28. 14 were within the City of London and 14 were outside the City in placements. There has been an increase in alerts raised in the year, in comparison there were 20 alerts raised in 2012-2013, with 6 alerts regarding residents placed outside the City.
- 16. People placed by the ASC team outside the City and who are subject to safeguarding, are not counted for DH reporting purposes by the placing

- authority as they take the lead when a safeguarding action takes place within their local authority.
- 17 Of the 14 City of London alerts, 7 were progressed to referral with a strategy meeting and protection plan. The 7 other alerts were diverted from the formal safeguarding process but support and care was provided in all cases.
- Of the 7 cases progressed to referral, less than 5 were substantiated, and were categorised as psychological, emotional and financial abuse and/or neglect.
