Main Report

1. You receive monitoring visit reports at each of your meetings. These are in addition to the three substantial monitoring reports you receive annually. One of these, a report reflecting on the monitoring and evaluation of "Working with Londoners" grants was submitted to your September 2014 meeting whilst the most recent six-monthly statistical monitoring report was submitted to your March 2015 meeting.
2. The reports to this Committee are from visits to New Horizon Youth Centre and Muscular Dystrophy UK. The former was supported under your programme for Improving Londoners Mental Health and MD UK received funding through your programme of Positive Transitions to Independent Living.
3. You supported Muscular Dystrophy UK to deliver work experience for young disabled Londoners. Your funding to New Horizon Youth Centre was for a service to young people at risk of mental ill health.
