Main Report

1. You receive monitoring visit reports at each of your meetings. These are in addition to the three substantial monitoring reports you receive annually. One of these, a report reflecting on the monitoring and evaluation of "Working with Londoners" grants was submitted to your September 2014 meeting whilst the most recent six-monthly statistical monitoring report was submitted to your March 2015 meeting.
2. The reports to this Committee are from visits to Barons Court Project and Drive Forward Foundation. The former was supported under your programme for Improving Londoners Mental Health and Drive Forward Foundation received funding through your programme of Positive Transitions to Independent Living.
3. You supported Barons Court Project to deliver mental health support services for homeless people. Your funding to Drive Forward Foundation was for a support programme with care leavers.
