Subject: 20 th Anniversary branded applications	Public
Report of: Chief Grants Officer	For Information

Summary

This report introduces two applications that support the 20th Anniversary themes that were approved at your last meeting.

Recommendation

Members are asked to:

- Note the report.

Main Report

1. At your last meeting, you approved three themes for your 20th Anniversary year, for work of strategic benefit to London, over and above your usual strategic grant-making. These were:
 - Work supporting young disabled people into employment.
 - Awareness raising amongst employers about employing people with mental health problems.
 - Future infrastructure needs of London's voluntary sector.
2. Two of the applications before you today support the first of these themes, namely supporting young disabled people into employment. These are:
 - Transport for All's 'Let's Get Moving' project which provides disabled young and adult Londoners with online telephone and written information and advice in regard to accessible journey-planning and travel. Lack of accessible transport is a major barrier to employment for disabled people.
 - Muscular Dystrophy Group of Great Britain and Northern Ireland's Trailblazers work-experience for young disabled Londoners.
3. The assessment reports of these applications have been branded with the 20th anniversary logo.
