Title and purpose of the activity The City Academy Hackney Multiple projects	
Description	
• Year 11 and Year 13 Revision Workshops and 'Boarding School' provision	
• 6th Form Laptops	
• "6th Form Centre	
1. Loose Furniture - Chairs, tables, frames/pictures	
2. Communications Technology - Plasma screens/Apple tv or similar"	
eBacc MFL overseas trips	
Total funding and breakdown of funding required	620.000
1. Year 11 and Year 13 Revision Workshops and 'Boarding School' provision 2. 6th Form Laptops	£30,000 £20,000
3. 6th Form Centre	£20,000 £70,000
4. eBacc MFL overseas trips	£70,000 £30,000
	Total £150,000
How will it improve attainment?	10001 2130,000
1. Raise achievement towards the target of 90% 5 A*-C with English and Maths. Iden	tifying 15 of the most
vulnerable students and taking them on a study/revision and lifestyle residential during	
spanning both Mathematics papers. To raise attainment in Mathematics for students pr	
2. To help promote independent e learning for incoming Sixth Form students and ensu	
access to wireless networking	•
3. To provide a state of the art learning environment suitable for Sixth Form study in t	he new sixth form wing
which is under construction 2015/16	
4. To subsidise travel for disadvantaged students studying GCSE and ALevel to enable	
experiences of communicating orally in their chosen language. This supports the achie	
progress 8 measures where the Academy is achieving levels at 2X the national average	
What is the target outcome?	
1. Year 11 and Year 13 Revision Workshops and 'Boarding School' provision	
C
