*Resolved* – That this Court doth hereby assent to the admission of the said persons to the Freedom of this City by Redemption upon the terms and in the manner mentioned in the several Resolutions of this Court, and it is hereby ordered that the Chamberlain do admit them severally to their Freedom accordingly.

- 7b. The Court noted action taken in approving one application for the Freedom of the City of London under urgency procedures:

To Andrej Kiska, Engineer and Philanthropist; being nominated by Sir Gavyn Arthur, Citizen and Gardener and by Sir Anthony Bailey, Citizen and Loriner. Urgent approval was granted as Mr Kiska, now also the President of the Slovak Republic, was due to be in London on 23 June and it was considered sensible to expedite the approval to allow the Ceremony to coincide with his being in the country.

8. Wardmote  
Resolutions

Resolutions of the Annual Wardmotes:-

**From the Ward of Cripplegate, Within and Without**

“That in relation to the proposed redevelopment of the Exhibition space underneath Breton House by the London Film School, this Wardmote requests that the City of London Corporation ensures that residents are provided with an appropriate dedicated place of refuge to which they can retreat at times of severe disruption due to noise and vibration.”

*Resolved* – That the resolution be referred to the Barbican Residential Committee for consideration and any necessary action.

**From the Ward of Dowgate**

“That this Wardmote finds it unacceptable that any residents or businesses in the City should be unable to access fast Broadband connectivity without significant cost and urges the City of London Corporation to work towards the extension of cost efficient Superfast Broadband throughout the City as soon as possible”.

*Resolved* – That the resolution be referred to the Policy and Resources Committee for consideration and any necessary action.

**From the Ward of Farringdon Within**

“It is a matter of considerable concern that, over the past few years, residents of Cloth Fair have been disturbed nearly every night of the week by vehicles- principally black cabs – parking outside their houses for several hours at a time. Disturbance and nuisance are caused by idling engines, doors slamming, conversations between drivers, and coming and going of drivers (to the nearby 24-hour café), and by some people using the alleyways and porches around Cloth Fair as spaces to urinate in. This is a narrow street, with residents’ rooms – including bedrooms- being very close to the carriageway, and undisturbed sleep is impossible in these conditions. The fact that the parking in Cloth Fair is currently governed by single yellow lines, allowing parking between 7pm and 7am, has made it virtually impossible to do anything about this problem, which residents have been raising with their Councilmen for several years.

The City of London Corporation is therefore urged:

- (i) to implement measures on an urgent basis to prevent vehicles parking in Cloth Fair between the hours of 11pm and 7am, Monday to Sunday inclusive and:
- (ii) to consider and consult on the range of options available for parking and vehicle access in Cloth Fair, taking into account the interests and reasonable requirements of residents, businesses and visitors to Cloth Fair and its vicinity.”

*Resolved* – That the resolution be referred to the Port Health and Environmental Services Committee and to the Planning and Transportation Committee for consideration and any necessary action.

**From the Ward of Portsoken (i)**

“The residents of the Portsoken Ward are becoming increasingly concerned about the rough sleeper problems that need to be urgently addressed. The residents of the Portsoken Ward request that the Community and Children’s Services Committee investigate the issues urgently and take positive and immediate action with a view to addressing the issues.”

*Resolved* – That the resolution be referred to the Community and Children’s Services Committee for consideration and any necessary action.

**From the Ward of Portsoken (ii)**

“The residents of the Portsoken Ward are becoming increasingly concerned about

the increase in rent and the aggressive approach shown by the City Surveyor’s Department and the lack of consideration given by the City Corporation to the mix of shop units to ensure that they are compatible with a predominantly residential community.”

*Resolved* – That the resolution be referred to the Planning and Transportation Committee and to the Community and Children’s Services Committee for consideration and any necessary action.

9. Parliamentary Measures

The Remembrancer reported on one measure introduced by Parliament which might have an effect on the services provided by the City Corporation as follows:-.

**Subordinate Legislation**

Title	with effect from
The Honey (England) Regulations 2015, S.I. No. 1348	24 June 2015

(The text of the measure and the explanatory notes may be obtained from the Remembrancer’s office.)

10. Result of Ballots

Whereupon the Lord Mayor declared Alderman Ian Luder and James Tumbridge to be appointed to the Local Government Pensions Board.

12. Questions

*Streeter, P.S.  
to the  
Chairman of  
the Policy and  
Resources  
Committee*

**Use of the title "City of London"**

Patrick Streeter asked a question of the Chairman of the Policy and Resources Committee concerning the use of the title "The City of London."

In response, the Chairman reassured Members that both he and other City Corporation spokesmen currently did and would continue to endeavour to make clear whether they were referring to the Square Mile, the Financial Services industry of London and the UK, or indeed the City Corporation itself, depending on the context.

*Nash, J.C.,  
Deputy to the  
Chairman of  
the Community  
and Children's  
Services  
Committee*

**Provision of Primary School Places**

Deputy Joyce Nash asked a question of the Chairman of the Community & Children's Services Committee concerning the provision of primary school places in the City.

In response, the Chairman advised Members of the work which had been planned to expand the Sir John Cass Primary School. Unfortunately however, the School's Foundation had recently decided not to allow the expansion of the School on the current site, despite previous indications that they were supportive of the proposals. Clarification was being sought as to the rationale for this decision, with no reason having yet been forthcoming.

In response to a question from John Fletcher, who was also a Governor of the School, the Chairman expressed his frustrations and surprise at the Foundation's decision, echoing Mr Fletcher's concerns.

In response to a question from Mark Boleat, the Chairman agreed that it would be appropriate for his Committee to commission independent advice on this matter and advise on possible ways forward. He also gratefully noted the offer from the Finance and Policy and Resources Committees to fund this research.

*Wheatley, M.R.  
P.H.D. to the  
Chairman of  
the Policy and*

**European Union**

Mark Wheatley asked a question of the Chairman of the Policy and Resources Committee concerning polling undertaken around Britain's membership of the

Resources  
Committee

European Union.

In response, the Chairman reassured the Member that the polling had been undertaken by two professional bodies bound by the regulations of the Market Research Society, with no City Corporation input in to the individuals approached.

Replying to a supplementary question about the focus of polling from Deputy Alex Deane, the Chairman clarified that the surveys referred to had been undertaken in 2013 and that the focus of current polling was indeed on the nature of reforms desired by City businesses.

Following a further supplementary question from Mark Wheatley, the Chairman emphasised that, when asked by interested parties, he expressed solely the view of the weight of opinion of City businesses. He stressed that the City of London Corporation had not agreed a corporate position in respect of European Union membership and that he had not been asked what the views of the Common Council were.

### **Road Safety – Bank Junction**

Colthurst, H.N.A.  
to the Chairman  
of the Planning  
and  
Transportation  
Committee

Henry Colthurst asked a question of the Chairman of the Planning & Transportation Committee concerning plans to improve road safety at Bank Junction.

In response, on behalf of the Court the Chairman expressed his condolences and thoughts to Ying Tao's family and friends on the tragic loss of her life. He stressed the resolve to re-double efforts to eliminate danger on City streets and provide a safe environment for all road users.

He referenced improvements made to other accident blackspots across the City, such as the Aldgate gyratory and Holborn Circus, noting that radical re-adjustments to Bank junction would be required to achieve similar change. He advised that options would be presented to Members on this very matter in the Autumn. The Chairman also highlighted the significant amount of enforcement activity undertaken by the City of London Police with respect to large vehicles.

Responding to a supplementary question from Andrew McMurtrie, the Chairman assured Members that the police did monitor such blackspots regularly and took enforcement action very seriously, advising that some 447 offences had been recorded since October.

In response to a question from Ann Pembroke, the Chairman advised that both the options of banning heavy duty vehicles from driving through Bank junction and pedestrianising the junction would be considered as part of the work.

Following a further supplementary question from Jeremy Simons, the Chairman noted that Transport for London (TfL) had currently prioritised the removal of gyratory systems, meaning that financial contribution to the junction changes was currently not likely to be of highest priority. However, with any junction improvements likely to be implemented following the imminent Bank Station upgrade, there was sufficient time to allow for thorough planning and appropriate negotiations with TfL with a view to their potential support.

13. Motions There were no motions.

14. Awards and Prizes There was no report.

15. **POLICY AND RESOURCES COMMITTEE**

**(Mark John Boleat)**

11 June 2015

**Amendment to Standing Order No.63**

The purpose of this report is to propose the amendment of Standing Order 63 regarding Disciplinary Action to comply with the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015 (the 2015 Regulations).

This Standing Order currently sets out the process by which disciplinary action can be taken in respect of the Town Clerk, the City of London Corporation's Monitoring Officer or the Chamberlain. The 2015 Regulations amend this process such that it now only covers dismissal, rather than any discipline, and no longer requires the relevant authority (the Court of Common Council in this instance) to follow a recommendation of a designated independent person. Investigations into dismissal of one of the three designated officers should therefore be conducted by a disciplinary panel, and a decision agreed by a vote of the Court of Common Council.

A separately printed and circulated report is submitted thereon and we **recommend** you agree the changes to standing orders set out therein.

Read and agreed.

16. **HOSPITALITY WORKING PARTY OF THE POLICY AND RESOURCES COMMITTEE**

**(Deputy Billy Dove, O.B.E., J.P., Chief Commoner)**

## 17. FINANCE COMMITTEE

**(Roger Arthur Holden Chadwick)**

12 May 2015

### **Revenues Court and Tribunal Appearances – Authorisation for officers to represent the Corporation**

Section 223 of the Local Government Act 1972 provides that any Member or officer of a local authority who is authorised by that authority shall be entitled to prosecute or defend or to appear in proceedings before a Magistrates' Court. This report seeks approval to update the authorisations given to officers in respect of the administration of non-domestic rates, council tax and miscellaneous income, following a number of staff changes; a separately printed and circulated report is submitted thereon and we **recommend** it be approved accordingly.

Read and agreed.

## 18. PLANNING AND TRANSPORTATION COMMITTEE

**(Michael Welbank, M.B.E)**

14 April 2015

**Updates to Scheme of Delegation in relation to changes to statutory powers and minor material amendments**

The Court of Common Council has delegated to your Planning and Transportation Committee responsibility for the City's local planning authority functions. To facilitate the carrying out and administration of these functions, some of these functions have been further delegated to Chief Officers, as set out in the Scheme of Delegations approved by Court of Common Council on 1 May 2014 and updated on 1 December 2014. Recent modifications to the conservation area regime and the introduction of Lead Local Flood Authority functions and Sustainable Urban Drainage responsibilities have given rise to further delegation issues.

Your Committee therefore seeks approval to amend the Scheme of Delegation in respect of the Lead Local Flood Authority functions. A printed and circulated report is submitted thereon and we **recommend** the amendments to the Scheme of Delegation as set out.

Read and agreed.

19. **COMMUNITY AND CHILDREN'S SERVICES COMMITTEE**

**(Dhruv Patel)**

8 May 2015

**Corporate Parenting Strategy**

The Court of Common Council is **recommended** to receive the Corporate Parenting Strategy which highlights the important responsibility of all Members as corporate parents to the children who are in or who have left the City's care. The Strategy sets out how the City will fulfil its commitment and ensure that children and young people have the support, care and encouragement to reach their full potential. This includes the City's Pledge to its children looked after and care leavers, which has been identified through consultation with children and young people in or leaving care.

20. **STANDARDS COMMITTEE**

**(Charles Edward Lord, O.B.E., J.P.)**

15 May 2015

**Standards Committee Annual Report**

In accordance with our terms of reference, the Standards Committee is required to monitor all complaints referred to us and to submit an annual report on our activities. This report provides a brief synopsis of the activities undertaken by your Committee since the introduction of the new standards arrangements under the Localism Act 2011.

A printed and circulated report has therefore been submitted for your information and we **recommend** its content be noted.

In response to a query, the Chairman advised that all Members had now submitted

updated declarations.

## 21. EDUCATION BOARD

(Catherine McGuinness, Deputy)

21 May 2015

### Implementing the Education Strategy 2013-15

The City of London Corporation's Education Strategy 2013-15 was adopted by the Court of Common Council at its meeting on 8 May 2014, with an overarching vision '*to educate and inspire children and young people to achieve their full potential*'. In adopting the strategy the Court established the Education Board as a grand committee to oversee its implementation, as well as the wider City of London Corporation education 'offer, working as it does so with other Committees with specific education responsibilities.

The Court of Common Council instructed the Education Board to report back to the Court on its first year of operation. A printed and circulated report that outlines the Board's headline activities since its first meeting in June 2014, and progress on the implementation of the Education Strategy over that period, is now submitted for your consideration. It is **recommended** that the Court receive the report and notes the activity undertaken by the Education Board during the last year.
