

Committee: Finance Committee	Date: 17 November 2015
Subject: Central Contingencies	Public
Report of: Chamberlain	For Information

1. Service Committee budgets are prepared within the resources allocated by the Policy and Resources Committee and, with the exception of the Policy and Resources Committee, such budgets do not include any significant contingencies. The budgets directly overseen by the Finance Committee therefore include central contingencies to meet unforeseen and/or exceptional items that may be identified across the City Corporation's range of activities. Requests for allocations from the contingencies should demonstrate why the costs cannot, or should not, be met from existing provisions.
2. In addition to the central contingencies, the Committee has a specific City's Cash contingency of £100,000 to support humanitarian disaster relief efforts both nationally and internationally.
3. The uncommitted balances that are currently available are set out in the table below. At the time of preparing this report, there were no further requests for use of the contingencies included on the agenda.

2015/16 Contingencies - Uncommitted Balances at 4 November 2015				
	City Fund £'000	City's Cash £'000	Bridge House Estates £'000	Total £'000
