Dear Sir,

Representation regarding application for a Premises License

We wish to comment on the following application :

*Humble Grapes Limited
Has applied to the City of London on: 29 October 2015
Premises Address: 1 St Bride's Passage EC4Y 8EJ
Ward: Castle Baynard*

We have read the application, but note that Annex A is missing from the version on the web site. We would be grateful if this could be made available to us to review.

The Tower Theatre Company is one of the principal users of the Bridewell Theatre in Bride Lane. The rear wall of the theatre is immediately opposite the main entrance of the premises in this application.

When the previous business was operating in these premises (also a wine bar / restaurant) there was considerable public nuisance caused by customers assembling on the pavement outside. St Bride's Passage was often blocked by people, and noise of their chatter was clearly audible in the theatre, disrupting performances and causing annoyance to audience and performers alike.

Whilst we have no objection to the premises being granted a licence, we would ask that a condition of granting the licence is that the Licensee should ensure that no drinks sold by them are consumed outside the premises.

If you would more information, please contact Laurence Tuerk on [REDACTED]

Regards,
