St Dunstan's Court

Fetter Lane, Chancery Lane EC4A

Ref : 60 Fleet Street

To whom it may concern,

I am an elderly homeowner in close proximity to this property. I believe another establishment where the sale of alcohol is permitted on this road would lead to unnecessary nuisance and disturbance to the local community. I would ask that you reconsider this application and not allow it to pass. The noise from other establishments are already reaching unbearable levels, when clients spill out into the streets, especially in the summer, and I really would suffer should yet another open.

Please do not allow this to pass.

Kind Regards,

George Westwood
