### Main Report

Since your last meeting, variations to the grants outlined below have been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as agreed by your Committee in October 2004.

#### **Transport for All**

In July 2015 a grant of £90,000 over 3 years (£30k pa) was awarded to the above towards the costs of a full-time (35hpw) Project Manager. Subsequently the charity has changed – without prior arrangement with the Trust - the post-holder's working hours to 28 hpw and increased the salary level. As a result the grant has been reduced proportionately (by 1/5<sup>th</sup>) meaning a reduction in each year of the grant of £6,000 (£18,000 in total). The outcomes and outputs will remain unchanged.

#### **Geffrye Museum Trust**

In September 2015 the above was awarded £40,000 pa for three years to support a programme of creative activities for older people aged 75 or above. The organisation was permitted to carry forward into year 2 an under-spend in year 1. However, at the end of year 2 another, slightly larger, under-spend occurred. As it was clear from this pattern that the core annual grant awarded was sufficient in itself the under-spend at the end of year 2 - £5,845 – was revoked.
