Main Report

Background

1. This report considers the appointment, terms of reference and composition of the Policy and Resources Committee's sub-committees and working parties. It also sets out details of the representatives the Committee is requested to appoint to serve on other City Corporation bodies.
2. The Committee is also required to review the frequency of its meetings. It usually meets on a monthly basis (with the exception of the Summer and Easter recess periods). No meetings were cancelled last year and meeting on a monthly basis is working well.

Current Position

3. There are a number of specific areas of the Committee's work which require greater focus and for which it has created a sub-committees, namely:-
 - The City's Courts
 - Members' Privileges
 - Outside Bodies
 - Project Management
 - Public Relations and Economic Development
 - Resource Allocation
4. It was previously agreed that the Chairman and a Deputy Chairman of the Grand Committee should serve in an ex-officio capacity on all the Committee's Sub-Committees. However, since the appointment of three deputies service on four of the sub-committees have been shared between them with all three deputies serving on the Resource Allocation and the Public Relations and Economic Development Sub-Committees. The Policy Committee recently agreed to alter the status of these appointments by appointing one Deputy Chairman and two Vice Chairmen of the Committee. It is not anticipated that the arrangements for serving on the Sub-Committee will change as a result.
5. The Committee is now responsible for the City Courts. Given that activity in this area will increase over the next five years particularly with the extensive refurbishment works planned for the Central Criminal Court a Sub-Committee was created for a period of five years to oversee matters.
6. The Committee now has four working parties covering hospitality, ceremonial, the cultural hub and the One Safe City Programme. Work on hospitality, ceremonial and the cultural hub is on-going. The One Safe City Programme which covers the Ring of Steel, Safer Communities and Joint Contact and Control Room and a number of smaller associated projects is jointly run by the City Corporation and the City of London Police. A new working party was created to oversee the management of the Programme last
7. Each of the Committee's proposed sub-committees, working parties and the appointments to other committees are considered in turn below. Details of their terms of reference and proposed composition are set out in the Appendix to this report.

Courts Sub-Committee

8. This Sub-Committee has been created for a period of five years to be responsible for the oversight of the management of all matters relating to the Central Criminal Court, the City of London Magistrates' Court and the Mayor's and City of London Court (excluding the appointment of the Secondary and Under Sheriff and matters relating to the Shrievalty and in so far as they concern the City of London Corporation). In terms of places on the Sub-Committee, in addition to the Chairman and the Deputy Chairman, one further place is filled by this Committee and four are

appointed by the Court of Common Council for a term of four years. There is **one** vacancy on this Sub-Committee which the Grand Committee needs to fill.

Members' Privileges Sub-Committee

9. The Members' Privileges Sub-Committee focuses on Members' privileges (but not those relating to City Hospitality which are dealt with by the Hospitality Working Party); Members' facilities (excluding Guildhall Club as this is dealt with by its own dedicated committee) and Member development and training. This Sub-Committee is chaired by the Chief Commoner and can report directly to the Court of Common Council. Vacancies on this Sub-Committee are appointed by the Court. See Appendix for the full composition.

Outside Bodies Sub-Committee

10. This Sub-Committee was created to oversee the City Corporation's Outside Bodies Scheme on behalf of the Committee. Its primary purpose is to keep under review, on a more regular basis, the City Corporation's policy and protocol towards outside bodies to ensure that they remain fit for purpose. In addition to the Chairman and a Deputy or Vice Chairman, three places are filled by this Committee (but not necessarily from Members of the Committee) and three are appointed by the Court of Common Council on an annual basis. However in the interest of providing an element of continuity it is suggested that the Court appointments are made on the basis of a three year term (staggered between the appointees). The **Three** places to be filled this day will continue to be on an annual basis.

Projects Sub-Committee

11. This Sub-Committee provides additional scrutiny, oversight and challenge for the management of major projects and programmes on behalf of the Policy and Resources Committee. The Chairman and Deputy Chairman of the Sub-Committee are appointed by the Grand Committee. There are **four** vacancies on this Sub-Committee to which the Grand Committee is asked to appoint.

Public Relations and Economic Development Sub-Committee (PR/ED Sub)

12. This Sub-Committee focuses on all matters relating to the City Corporation's Economic Development, Public Relations, Public Affairs and Communication activities, including any related plans, policies and strategies. There are **five** vacancies on this Sub-Committee to which the Grand Committee is asked to appoint.

Resource Allocation Sub-Committee (RA Sub)

13. Determining resource allocation in accordance with the City Corporation's strategies is undertaken on behalf of the Committee by the RA Sub. Earlier this year, as part of the recent review of the city Corporation's grant giving activities, the Committee agreed to the Sub-Committee being responsible for:-

- setting the annual quantum for each City's Cash and City Fund grants programme (including for City's Cash funded open spaces grants);and
- considering the annual performance reports for all grants programmes from the Finance Committee.

The Resource Allocation Sub-Committee also performs the role of a Reference Sub-Committee, in that it considers and makes recommendations on matters referred to it by the Grand Committee. Its constitution is determined by the Court. There are **six** vacancies on this Sub-Committee to which the Grand Committee is asked to appoint.

Ceremonial Working Party

14. The Ceremonial Working Party was established for a limited period in 2016 to review the City Corporation's ceremonial protocols and practices and to update and consolidate the *Ceremonials* Book. There are no vacancies to be filled on the Working Party.

Cultural Hub Working Party

15. The Cultural Hub Working Party was established in 2013 to oversee the development of a cultural hub in the Barbican area to coordinate improvements to the street scene, links to future transport infrastructure developments, and increased collaboration between the cultural institutions in and around that area. There are **four** vacancies on the Working Party.

Hospitality Working Party (HWP)

16. The HWP is chaired by the Chief Commoner and reports directly to the Court of Common Council. It is responsible for considering and making recommendations on City Corporation hospitality and on the applications for the use of Great Hall. Applications for the use other venues within Guildhall are determined by the Remembrancer in consultation with Chief Commoner. Vacancies on this Working Party are appointed by the Court. See Appendix for the full composition.

One Safe City Programme Working Party (OSCPWP)

17. As mentioned above, the OSCPWP focusses on the management the One Safe City Programme. It covers various projects which sit within three overarching projects for enhancing the Ring of Steel and Safer Communities as well as the co-location of City Corporation's Contact Centre and Police Control Room. There are no vacancies to be filled on the Working Party.

Investment Committee

18. 14 Members of the Investment Committee are elected by the Court. In addition to this the Policy Committee appoints **eight** Members to serve on it from amongst all Members of the Court. Members wishing to serve on the Investment Committee are required to submit a CV in support of their candidature.

Appointments to other Committees and Sub-Committees

19. The Policy and Resources Committee is required to appoint representatives to serve on the following Committees, Sub-Committees and Boards:-

- **Audit and Risk Management Committee**
- **Barbican Centre Board**
- **Corporate Asset Sub-Committee** (three representatives)
- **Education Board**
- **Freedom Applications Committee**
- **Local Development Framework Reference Sub (Planning) Committee**
- **Mayoralty and Shrievalty Allowances** (for the purposes of consultation with the Court of Aldermen and representatives of the Finance Committee)

20. When filling the vacancies on the various committees and sub-committees referred to above it should be noted that a ballot will be required where expressions of interest in serving on them exceed the number of vacancies.
