Hi Stuart

When I have visited the venue I have found it to be very quiet and I can confirm we have received no complaints and have no concerns about the venue.

Kind Regards

Hi there Daniel – we met at the above address in December.

We are going to reapply for a licence and you mentioned that you might be able to write a letter of, if not recommendation, then at least outlining that we've not been detrimental to the neighbourhood during the period we have been trading using TENS.

Ultimately, the argument I am trying to win is one of public nuisance. I believe that we can operate *Little Quiet*, our small, 18 seat dining room on Newbury Street without being a public nuisance.

Anything you can do to help would be very much appreciated. We hope to submit next week.

Many thanks

Stuart
