Main Report

Since your last meeting, variation to the grant outlined below has been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as agreed by your Committee in October 2004.

New Choices for Youth

A grant of £74,250 over 3 years was awarded in July 2012, to provide life skills training to care leavers. Following operational problems the grant was reviewed and re-focused in November 2015. However the project has continued to experience difficulties, especially around securing referrals. Following discussion with your officer the organisation has decided to close the project at the end of year 2, with the resulting underspend of the third year's instalment of £25,000 now revoked.
