Our top line objectives are:

One - Safe:

- People of all ages live in safe communities, safe accommodation and are protected from harm

Two - Potential:

- People of all ages can achieve their ambitions through education, training and lifelong-learning

Three - Independence, Involvement and Choice:

- People of all ages can live independently, play a role in their communities and exercise choice over their services

Four - Health and Wellbeing:

- People of all ages enjoy good health and wellbeing

Five - Community:

- People of all ages feel part of, engaged with and able to shape their community

What we will measure:

Key performance indicators have been identified that map to each of our top line objectives. These will support the monitoring and tracking of progress in delivering identified outcomes and impacts. A summary of these is contained in the detailed DCCS Business Plan.

Corporate programmes and projects:

1. Deliver an outstanding education offer through our existing and new City of London family of schools
2. Secure efficiencies and better outcomes for service users through the integration of health and social care commissioning across the City of London and Hackney
3. Deliver an expanded corporate apprenticeship programme to provide outstanding employability, training and skills opportunities
4. Collaborate with other departments to ensure the City is a healthy place to live work and do business
5. Manage the transformation of pan-London sexual health services through the mobilisation of e-healthcare service and co-ordination of governance

Departmental programmes and projects:

6. Improve outcomes and services for children and young people with special education needs and disabilities
7. Increase the City's stock of affordable housing on its HRA estates
8. Expand and develop resident involvement and community development programmes
9. Develop and deliver an "accommodation pathway" for rough sleepers
10. Collaborate with the City of London Police to deliver a joint suicide prevention programme
11. Improve outcomes and experience for adult social care users
12. Improve the breadth and quality of youth services

What we will measure:

1. School Ofsted rating and "progress 8" attainment
2. Patient outcomes
3. Apprenticeship delivery, completion and positive destinations
4. "Health in all policies" impact
5. Service take up and outcome
6. SEND dashboard indicators
7. Start on site and completions
8. Participation, reach and satisfaction levels
9. Bed spaces, occupancy and impact on rough sleeping
10. Effectiveness of interventions
11. Service user outcomes, satisfaction, delayed transfer of care; recommissioned telecare
12. Participation and reach of service; NEET young people.

How we plan to develop our capabilities this year:

- Developing and launching Workforce Development Strategy
- Strengthening our commissioning resource
- Reviewing departmental risk processes and ensure robust mitigation
- Delivering needs assessment and analysis, and strengthening performance monitoring to inform service design and delivery
- Implement new child and adult social care case management system

What we are planning to do in the future:

- Respond to the impacts of devolution and public sector reform
- Identify future opportunities for integration of health and social care services to address budgetary and demand pressures
- Identify options to further increase housing supply within the City and across London
- Expand the range and level of apprenticeships offered by the Corporation
- Develop a Libraries First approach in line with the government's vision for public libraries to contribute to local and national priorities
- Identify opportunities to enhance service delivery provided by the addition of community libraries to the department.
