A further report to be submitted to the Sub Committee regarding the framework for charging, provision of more parking bays and theft of motorcycles. Consideration would be given to the timings for the project at a future meeting.	Director of the Built Environment  Director of the Built Environment	2017	The matter is now included in the 2017/18 work programme and within the restructured City Transportation teams work plan.  In response to Members asking that this piece of work be brought forward from 2017/18, officers reported that further advisement of timings would be considered at the January Streets and Walkways Sub-Committee meeting, but it will be a priority on the 2017/18 business plan for consideration at the February Planning and Transport Committee.  Complete programme to be reported post elections  Members expressed concern regarding the period of time this issue was taking to address and asked that a clear and robust policy, including environmental issues, be brought to the Sub-Committee as soon as possible.  It was agreed that officers bring proposals for the programme to the Sub-Committee to enable priorities to be set, and to determine exactly what resources would be required to deliver it.
