Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

I have considered your licensing statement and believe that the proposed activities will have no adverse affect on the four licensing objectives.

It is our belief that well trained staff will contribute to well run premises and a responsible approach to the sale of alcohol, provision of entertainment and late night refreshment will be demonstrated.

All managers will be fully conversant with the licensing act and all staff will be advised of licensing law in writing before they are allowed to serve alcohol.

Documented training will also be provided to all staff on premises' specific policies relevant to the operation of the business.

A record will be kept of the date and name of all persons trained or advised and be made available for inspection by the police or licensing authority.

b) The prevention of crime and disorder

CCTV will be installed inside and outside the premises. The cameras will cover all internal areas accessible to the public and areas immediately outside the premises. The date and time settings on the system will be correct.

-The recordings should be in real time and on hard drive with the availability to copy disks for other agencies such as the police.

-Recordings will be kept for a minimum period of 31 days.

-All duty managers will be trained in the maintenance and operation of such systems with a record kept of the date and name of person trained. Records will be available for inspection by the police or licensing authority.

-A trained member of staff should be on duty to operate the system whenever the premises are open.

A minimum of 2 SIA registered security staff will be on duty whenever the premises are open beyond midnight for licensable activities, they will be on duty from 21:00 until the last customer has left the premises.

There will be no promoted events.

Continued from previous page...

A zero tolerance policy to the use of drugs and carrying of weapons in the premises will be adopted, posters will be displayed throughout the premises to remind customers of zero tolerance policy.

Bag hooks (Chelsea clips) will be provided to prevent bag snatching.

Clear signage will be displayed throughout the premises about crime prevention and to warn customers of the potential for pickpockets and bag/laptop snatchers.

A lost and found policy will be in place in relation to lost/found property at the premises. The policy will include procedures regarding the logging and disposal of property and in particular any valuable property. Passports and any other ID found will be handed in to any police station.

c) Public safety

A full health and safety policy will be in place for the premises highlighting any risks to both customers and staff.

The capacity will be assessed on a risk basis and documented on site.

A written policy to deal with all types of accidents & emergency incidents will be in place at the premises.

-The policy should be based on risk assessments and include matters such as emergency management, contingency planning and evacuation procedures in the event of fire, bomb threats or suspect packages and when to contact emergency services.

-Evacuation responsibilities and roles will be clearly communicated to staff, routes and exits will be well defined and evacuation plans exercised regularly.

-A copy of the fire risk assessment will be kept at the premises and made available for inspection by the fire authority and licensing authority.

An accident book will be kept in order to record all accidents or incidents and made available for inspection.

Information will be displayed to customers with regards to safe options for travelling home such as Cabwise. This information will include access to licensed taxi cabs or licensed private hire vehicles, the location of taxi ranks and public transport facilities including night bus options.

d) The prevention of public nuisance

A noise management policy will be in place setting out sound attenuation measures to prevent or control music, singing and speech noise breakout from the premises.

All staff will be trained on the content of the policy to ensure a commitment to good noise management. A record will be kept of the date and name of person trained and made available for inspection by the licensing authority or environmental health responsible authority.

A sound limiting device will be installed, set and sealed at a level approved by an acoustic consultant.

-The sound limiting device will be used at all times that relevant regulated entertainment is taking place

-Only the premises license holder or a nominated deputy and the designated premises supervisor will have access to the sound limiting device.

Perimeter checks and listening tests by the license holder/staff will actively be carried out on a regular basis and in particular when a new form of entertainment is introduced at the premises, when alterations are made to the premises or when a complaint is made directly to the venue.

-A log book will be kept of any noise monitoring carried out, the findings and any remedial action taken. The log will indicate whether it was routine noise monitoring or the result of a complaint.

Continued from previous page...

-The log book will be made available for inspection by the licensing authority or environmental health responsible authority.

The terrace to the rear of the property is surrounded by commercial properties and as such will not need to be time limited though it will be regularly monitored and well lit.

A contact telephone number will be made available to local residents and businesses which they can use to report noise disturbances to a responsible person at the venue as and when they occur. The phone line should be available at all times the license is in use.

A customer dispersal policy will be implemented in order to minimise noise disturbance to local residents from customers leaving the premises.

Prominent notices close to the exit doors, requesting patrons to leave the premises quickly and quietly will be displayed.

Staff who depart late at night or in the early hours of the morning when the business has ceased trading, will conduct themselves in such a manner as to avoid causing disturbance to nearby residents. This includes the loading and unloading of artists' equipment.

Commercial deliveries, collections and storage/disposal of waste, including beer deliveries, refuse collections and storage / disposal of waste and recyclables in external areas will be restricted to normal working hours between 7am and 7pm.

Procedures will be in place for the prompt collection of street litter generated by the premises for example cigarette butts. Regular patrols of the area outside the premises should be undertaken by staff to clear any litter attributable to the premises.

e) The protection of children from harm

All children under the age of 18 should be accompanied by their parent or guardian at all times.

A 'Challenge 25' scheme will be in place and staff will ask for ID from any person appearing to be under 25 years of age to prove that they are over 18.

Only photographic driving licenses, passports or PASS (Proof of Age Standards Scheme) cards will be used to verify ages.

A refusals book (or refusal button on EPOS –Electronic Point of Sale) will be kept on the premises and it will be completed whenever a sale is refused to a person who cannot prove they are over the age of 18.

-The book will contain the date and time of the incident, a description of the customer, the name of the staff member who refused the sale, and the reason the sale was refused.

-The book will be made available to Police and authorised officers on request.

-The book will be reviewed on a regular basis to see if any patterns emerge.

Staff training in the age related sections of the Licensing Act 2003 will be provided to all door, bar and till staff. This includes the ability to competently check customers' identification where necessary. A record will be kept of the date and name of person trained.
